Departments

The Departments page allows you to add, edit, and delete department information in your organization. A list of existing departments is displayed in a grid on this page. When you post a job or when you link a job position to a department, you will select a department created using this page.

Sort

Sort columns at any time by clicking on a column's heading. Click the heading once to sort the grid information in ascending order. Click the heading again to sort the grid information in descending order.

Basic Navigation See Navigation and Search for more information about basic navigation and search options on the page.

Return to Admin Tools You can return to the Admin Tools page at any time by clicking **Admin Tools**.

Records Click **Records** to select the number of records to display.
