# Departments

The Departments page allows you to add, edit, and delete department information in your organization. A list of existing departments is displayed in a grid on this page. When you [post a job](#) or when you [link a job position](#) to a department, you will select a department created using this page.

## Sort

Sort columns at any time by clicking on a column's heading. Click the heading once to sort the grid information in ascending order. Click the heading again to sort the grid information in descending order.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

**Return to Admin Tools** You can return to the [Admin Tools](#) page at any time by clicking **Admin Tools**.

**Records** Click **Records** to select the number of records to display.
