Email Template 1

Email Template

Use the Email Template page to view and edit email templates.

In the **records** drop-down menu, select the number of records you would like to view per page.

| Field | Description |
|--------------------|---|
| Record Type | The type of record the template is. |
| Config Type | The unique name of the configuration type. WHERE IS THIS SET? |
| Template | The email template. |
| Edit | Click Edit to edit the email template. The Edit Email Content page is displayed. |
