# Edit Users

The Edit Users page allows you to edit demographic, contact, and account recovery information for CareerPortal users. Required fields are marked with a red asterisk. If you are editing a new user, be sure to link the user to the appropriate user group in order to provide the necessary permission levels.

The following changes generate an automatic email to the user:

- The user's email address domain is changed to a domain that matches one of the email domain(s) listed on the District Settings Co-op page.
- The **Local User Override** field is changed from *External* to *Internal*.
