Groups

Create, edit, and delete groups.

Field	Description
Group Name	The group's name.
Description	The group's description.
Default	***HOW CAN THERE BE MULTIPLE DEFAULTS??***
Edit	Open the Add/Edit Groups page.
Delete	Delete the group.

The following groups are available:

Group	Description
Applicant	End User. Anyone who uses the application to search and apply for jobs as well as maintain a personal profile.
Job Poster	This group gives members the ability to post new jobs. Members of this group should also be members of the Managers Group.
Managers	Anyone involved in the hiring process. Posts can be shared with these users, such that they can review applicants that have applied for positions which have been shared with them.
Administrators	Has the same access as a Manager, plus access to some of the Admin Tools.
Super Admin	This group has access to everything.
Developers	Highest level of access. Reserved for Developers only.
