# Interview Workflow

The Interview Workflow page allows you to define an interview progression (workflow) for interviewing applicants. An interview workflow is assigned to a job posting based on the type of job posting. Interview workflow steps and their order within the workflow are defined using the Add/Edit Interview Workflow page. A list of available interview workflows is displayed in a grid on this page.

**Basic Navigation** See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

[Return to Admin Tools](#) You can return to the [Admin Tools](#) page at any time by clicking **Admin Tools**.
