# Job Positions

The Job Positions page allows you to create, edit, and delete job positions for your organization. A list of existing job positions is displayed in a grid on this page. When you post a job or when you [link](#) a job position to a [department](#), you will select a position that is created using this page.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

[Return to Admin Tools](#) You can return to the [Admin Tools](#) page at any time by clicking **Admin Tools**.

[Records](#) Click **Records** to select the number of records to display.

## Add or edit job positions

Job positions are added or edited using the **Add New Position** window.
