Table of Contents

Position Form Link 1

Position Form Link

The Position Form Link page allows you to create and delete links between job positions and forms. A list of all linked forms and positions is displayed in a grid on this page. To add, edit, or delete job positions or forms on this grid, see Form Management or Job Positions, respectively.

Basic Navigation See Navigation and Search for more information about basic navigation and search options on the page.

Return to Admin Tools You can return to the Admin Tools page at any time by clicking **Admin Tools**.

Link job positions to forms

Use the **Create Links** section to create links between the fields.

Field	Description
Positions	Select a job position to link a form to. Click the **X** to remove a selected job position. You can also press BACKSPACE.
Forms	Select a form to link a job position to. Click the **X** to remove a selected form. You can also press BACKSPACE.

Field	Description
Link	Link the position(s) to one or more forms.
Clear All	Simultaneously clear all links from both fields.
Cancel	Return to the previous screen.

View or search position and form links

Use the **Linked Values** section to view and search linked job positions and forms.

Records Click **Records** to select the number of records to display.

Delete position and form links

Field	Description
Delete	Delete the row. This deletes the link between the two columns for that row. **OK**: Delete the link. **Cancel**: Cancel and return to the previous page.
