# Profile Settings

The Profile Settings page allows you to edit or update your personal information. Your profile settings page was created when you first registered for a CareerPortal account. If an account was created for you, then review your profile settings information to make updates where necessary. You can view and update your profile settings at any time.

[Basic Navigation](#) See [Navigation and Search](#) for more information about basic navigation and [search](#) options on the page.

## View and update your profile settings

You can edit the following fields at any time.
