Saved Job Searches 1

Saved Job Searches

The Saved Jobs Searches page allows you to save job search parameters and view previously saved searches. All saved job searches are displayed in a grid on this page.

Basic Navigation See Navigation and Search for more information about basic navigation and search options on the page.

Records Click **Records** to select the number of records to display.

View and search saved searches

Field	Description
View	Navigate to Search Jobs and see updated job posts using your saved search parameter.
ID	Displays the saved search ID.
Saved Search Name	Displays the search name used when you saved it.
Date-Time Created / Last Updated	Displays the date and time the search was saved.

The search parameter saved to this page will also display your search results in your CareerPortal Job Dashboard.

Delete saved searches

Field	Description
Delete	Delete the row. A confirmation message is displayed prompting you to continue. **OK**: Delete the row. **Cancel**: Cancel and return to the previous page.
