# CareerPortal Home

The CareerPortal home page is your gateway to all that CareerPortal offers. The home page offers a glimpse into newly published job posts, displays organization announcements, and provides users with important contact information. The CareerPortal home page is divided into three sections:

- Header
- Body
- Footer</WRAP>

## Home page header

The home page header comprises five links:

- The CareerPortal link is located in the top right corner of the page and takes you back to the home page anywhere within CareerPortal.
- The Home link also returns you to the home page.
- Use the Job Search link to search for jobs from the home page.
- The Register link takes you to the CareerPortal account registration page.
- Use the Login link to log into your CareerPortal account.

## Home page body

The home page body provides Recently Posted Jobs information with links to apply for those jobs. The home page's body also comprises up-to-date information as well as instruction on how to quickly sign up, search, and apply for jobs using CareerPortal.

## Home page footer

The home page footer comprises organizational information such as an About Us section and a Contact Us section.
