- ☒ Student Attendance Domain Level 15
- ☒ Student Spec Ed Elig Assoc Domain Level 15
- ☒ Student Academic Record Domain Level 18

Creating 1 run (one per selected ODS instance)

Submit

- In the **District ID** field, click ▼ to select the applicable county-district ID.
- In the **School Year** field, click ▼ to select the applicable school year (2027).
- In the **School Year Catalog** field, click ▼ to select the applicable catalog.
- Under **Domain Selection**:
 - Clear the **Select All Domains** checkbox.
 - Following the domain dependency order, select one domain at a time.

☐ Click **Submit**.

2. Review the Level 1 errors and make any necessary corrections in ASCENDER Enterprise.
3. As Level 1 Errors become manageable, repeat steps 1 and 2, and continue adding domains in dependency order.
4. After all domains are sending successfully, repeat step 1, except now **Under Domain Selection**, mark the **Select All Domains** checkbox to include all domains in the run. Now, you can begin creating scheduled runs.
