Verify the teacher section data, as well as the **Cert CTE** column. The **Cert CTE** column must have a **Y** to receive CTE funding for VOED courses.

NOTE:If you are a district of innovation, you may be eligible to receive funding for a teacher who is not CTE certified if it is stated in your plan.

2. ***Grade Reporting > Maintenance > Master Schedule > District Schedule***

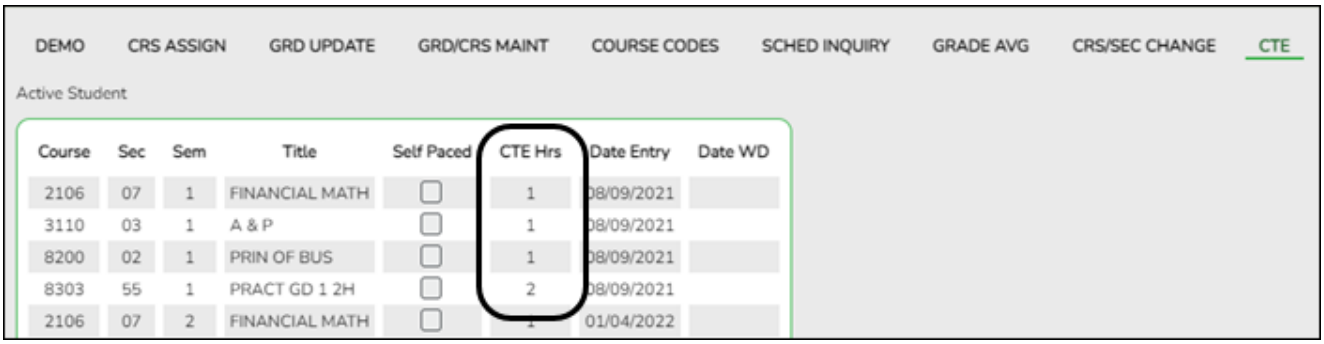

Reported Elements from District Schedule: reported in the Course Entity.

This is determined as follows:

- The **CTE Hrs** field is set to 1, 2 or 3, accordingly in the district master schedule.
- On Grade Reporting > Maintenance > Student > Individual Maint > CTE, the student is enrolled in a CTE course with the **CTE Hrs** field set to 1, 2 or 3.

3. ***Grade Reporting > Maintenance > Student > Individual Maint > CTE***

This is determined as follows:

- The student is enrolled in a CTE course with the **CTE Hrs** field set to 1, 2, or 3 on the student's CTE maintenance page.
- On ***Grade Reporting > Maintenance > Master Schedule > District Schedule***, the **CTE**

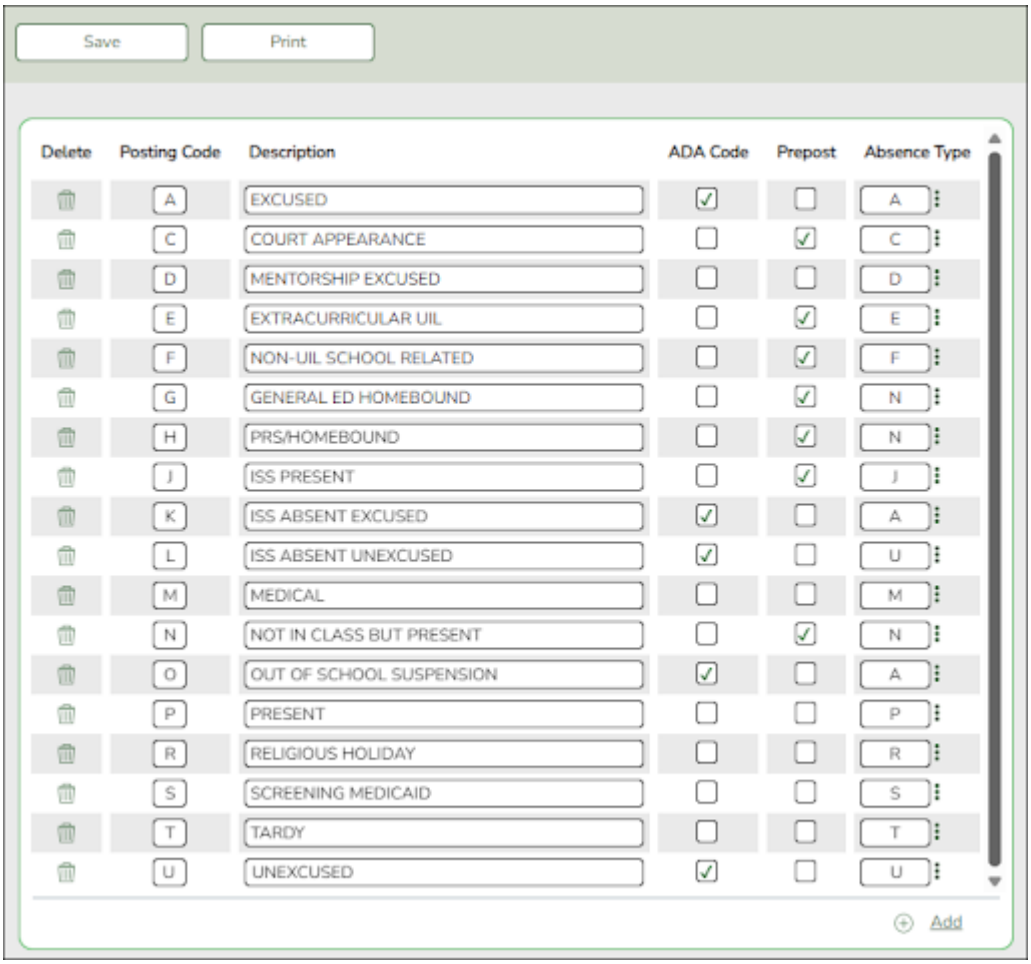

Hrs field for that course is set to 1, 2, or 3 respectively.

II. Verify ASCENDER Student Data

Verify data for each element in the following ASCENDER Student applications. **It is suggested that you run reports first and then use the maintenance pages in the Student applications to update data where needed.**

- Attendance

Attendance > Maintenance > District > Posting Codes

☐ Verify all district posting codes, paying close attention to those that have **ADA Code** selected.

- Update Special Program Coding

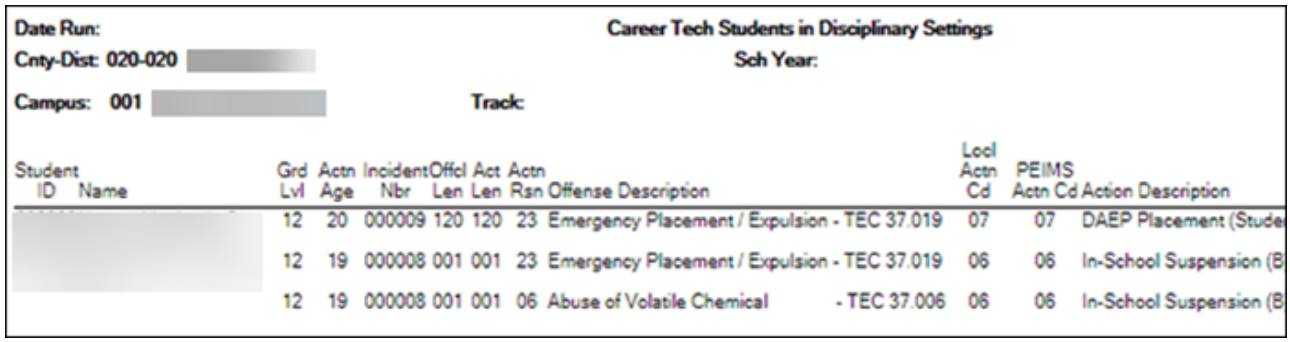

Verify Entry/Withdrawal Dates for Enrollment

- If a student has been placed in a disciplinary setting, and is not receiving special program services during that time, the student may be withdrawn from the program while in the disciplinary setting, either by performing a status change or withdrawing the student from the program for those dates. In this case, for programs such as special education, bilingual/ESL, etc, the student may be withdrawn from the special program during the disciplinary assignment, and then re-enrolled in the program when the student returns. See the TEA Student Attendance Accounting Handbook (SAAH) for additional information, and be sure to review your local procedures/policies.
- For CTE, a status change should be performed on the ***W/R Enroll*** tab (to update the **CTE Elig** field) at the beginning and end of the disciplinary assignment. A student can be assigned to a disciplinary setting for up to five consecutive days and continue to receive CTE hours even if CTE services are not provided to the student during placement. After five days, the student can continue to earn credit for the class but cannot claim additional funding; the funding clock must be set back to the first day of the disciplinary assignment.

CTE contact hours must not be claimed when a student receiving CTE services is placed in a disciplinary setting (for example, in-school suspension or DAEP) **for more than five consecutive days if the same amount and type of CTE services are not provided by a CTE teacher**.

Use the SDS1800 - Career Tech Students in Discipline Setting report to identify CTE students who were placed in a disciplinary setting.

Enter Status Change to remove CTE Elig coding for students placed in a disciplinary setting for

more than five consecutive days if the same amount and type of CTE services are not provided by a CTE teacher.

Registration > Maintenance > Student Enrollment > W/R Enroll

❑ Enter **Exit Date**.

❑ Click **Code 33** to do a status change.

- A row is added to the grid that displays the default entry date, which is the same as the withdrawal date. This ensures that you do not lose any membership days by typing the incorrect entry date for the status change.
- The fields below the grid are enabled. The fields display the data from the previous row by default.

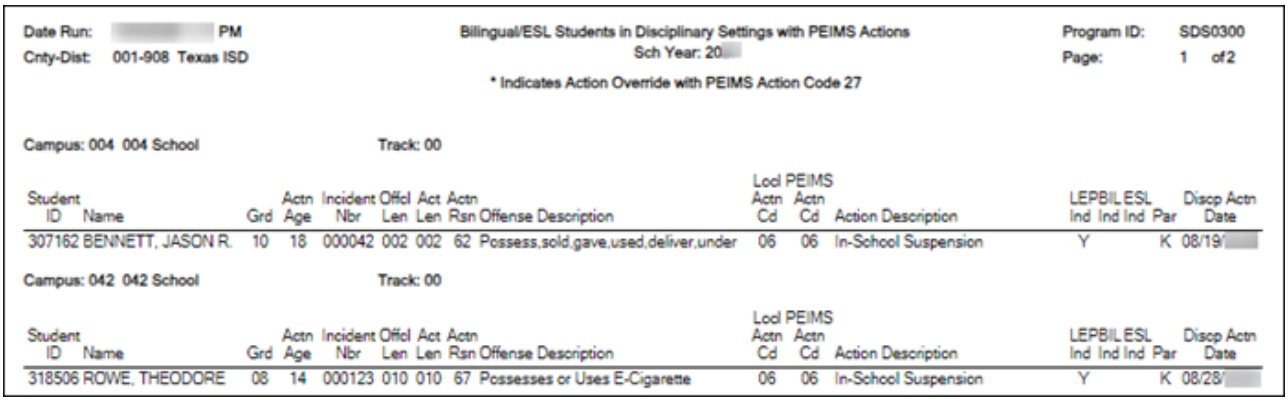

❑ Modify any information that changed for the entry date.

❑ Click **Save** to save the status change.

Bil/ESL Funding must not be claimed when a bilingual/ESL student is placed in a disciplinary setting (for example, in-school suspension or DAEP) **for more than five consecutive days if the same amount and type of bilingual or ESL program services are not provided by a bilingual or ESL program teacher**. Students not receiving the same amount and type of bilingual or ESL program services by a bilingual or ESL program teacher for five or more days while in a disciplinary setting must be withdrawn from the program during that time.

Use the SDS0300 - Bil/ESL Students in Discipline Settings report to identify bilingual/ESL students who were placed in a disciplinary setting.
