Core Collection: Child Find (To Be Updated)

Child Find is a federal mandate under the Individuals with Disabilities Education Act (IDEA). It requires local education agencies (LEAs), which include public school districts and charter schools, to identify, locate, and evaluate all children with disabilities residing within their jurisdictions who need special education and related services (34 CFR §300.111—Child Find). This program covers students from birth through age 21 and includes students for whom the special education evaluation process was completed.

This process includes children who are:

- Enrolled in a public school and are advancing from grade to grade
- Parentally placed in a private school, homeschool, or attend a virtual school
- Highly mobile, including migrant children
- Homeless
- In foster care or unaccompanied youth
- Wards of the state
- Involved in the criminal justice system
- Residing in nursing homes

For additional information, see [the Child Find website](#).

The Child Find submission is due July 31, 2025.

IMPORTANT: Each LEA will have unique situations. Some of the dates, images, and examples provided in this document are for informational and instructional purposes only and may not completely represent your LEA's process.

Evaluation Delay Days is a calculation derived from the number of absences between the **Consent to Evaluation Received Date** and the **Initial Evaluation Date** found on *Child Find Data* and counts only those absences in an Average Daily Attendance (ADA) period. If those dates have not been entered, the field will show 0. This number is used by TEA to determine if the district is in compliance.
