Click to print the Campus Local Program Rollover Status report.

The report lists the code, description, and ASDR next year status by campus, allowing you to see if a local program will be written to the next year record when ASDR is run.

The status is determined by the campus or district options:

- If the district **Annual Student Data Rollover** field is Y, the campus **Move Program to Next Year** code and description print in the **ASDR Next Year** column.
- If the district **Move Program to Next Year** field is N, the **ASDR Next Year** column displays "Drop Program NYR (By District)" because the district option N overrides the campus **Move Program to Next Year** field.
