For each student with an **Excessive Unexcused Absence** indicator, check **Truancy Prevention Measure** and/or **Truancy Complaint Filed** if applicable. To prevent getting a grade level error in the batch manager, verify there are no missing fields or invalid dates.

NOTE: This utility can be run as often as needed. Each student will be marked for the first occurrence of 10 or more unexcused absences. This information will not be deleted when the utility is run again unless unexcused absences were removed and the student no longer has 10 unexcused absences. It is advisable to run the utility at the end of each cycle and at the end of the school year.
