Data Quality Tips

Verify the following for Active Employees:
Personnel > Maintenance > Employment Info
Verify that active employees only have one employment type selected, Employment Type or Retiree Employment Type .
Verify all employees with a Latest Re-employment Date do not have a Termination Date . For re-hires, delete the Termination Date and Reason .
Verify all employees have a Percent of Day Employed .
Verify all auxiliary staff have an Auxiliary Role ID with a Begin Date .
Verify all paraprofessional staff with a Paraprofessional Certification have Para Cert selected with a Begin Date .
Verify that employees with an Employment Status of <i>09 Other</i> are not reported to PEIMS. If the employee should be reported to PEIMS, it is recommended that you change the Employment Status to <i>02 Active auxiliary personnel</i>
Be sure to add an Auxiliary Role ID to these employees. It is recommended that you use 222 <i>Other Non-Exempt Auxiliary</i> .
Verify the following for Terminated Employees:
Personnel > Maintenance > Employment Info
Verify the employee record has a Termination Date and Termination Reason .
Verify the employee record has an End Date for the Auxiliary Role ID and/or Paraprofessional Certification .
Verify the employee record has an updated Employment Status , if not, select the appropriate code.
Personnel > Maintenance > Staff Demo > Responsibility
Verify the employee record has an End Date on the Responsibility record if one exists.
Payroll > Maintenance > Staff Job/Pay Data > Pay Info
Verify the employee record has a Pay Status of <i>Inactive</i> .
Verify the following for Finance and Budget Data:
Finance > Maintenance > Create Chart of Accounts
Verify that you are not using a "parent" account in the account code structure to enter data. (Examples: Fund code 100, 200; Object code 1100, 5700, 6300)
Verify the correct organization codes are being used.
<ul style="list-style-type: none"> • If the organization code is 701-750, then function code should be 41, 53 or 99. Function 41 should not have a organization code of 999. The organization codes are typically 701-703, 720, 750 or 751. (ESCs are the exception.) Reference the FAR Guide and make any changes for accounts that are not crosswalked. • Expenditure accounts (6XXX) should not have an organization code of 000 or PIC of 00.
Verify the correct Program Intent Codes (PIC) are being used.
<ul style="list-style-type: none"> • Funds 205, 255, 270, and 429 should not have PIC 30. These funds are typically PIC 24. • Verify you do not have PICs 31, 32, 34, or 35 in your chart of accounts. If you do, you will need to mass crosswalk the data to another account code. These codes have been retired and deleted from the FAR Guide.
Finance > Inquiry > General Ledger Inquiry
Verify you have expenditures for object code 6491 to record Statutorily Required Public Notices.

Verify you have at least one account code for instructional staff development (function 13) with budget amounts (for Fall PEIMS) and actual expenditures (for Mid-Year PEIMS) greater than zero.
Verify you have at least one account code for instructional resources and media services (function 12 and object 6100-6600) with a budget and actual expenditures greater than zero.
Verify you have at least one account code for guidance, counseling, evaluation services or social work services or health services in function 31-33, object 6100-6600 with amounts greater than zero.
Verify you have at least one account code with object code 6212 for audit services.
Verify you have one account code for Matching State Funds (object 5829) in funds 240 and 410.
District Administration > Options > TSDS > Options
Verify that the As-of-Date and School Start Window (SSW) Date fields have the correct dates.
Ensure that email address(es) are entered under Finance Extract Distribution List and Personnel/Payroll Extract Distribution List . These designated email addresses allow a person or group of persons to receive extract emails.
District Administration > Options > TSDS > Domains & Entities
