Map financial data from the LEA's set of accounts to TEA's Chart of Accounts for both the current and previous file IDs.

Verify the TSDS crosswalks copied from State Reporting are correct. Make corrections as needed.

Verify that there is not a crosswalk for the automatic crosswalks processed by ASCENDER. Automatic crosswalks are applied after any applicable crosswalks entered on this page. Review the **Automatic Crosswalks** section on the [Finance TSDS Crosswalk Tables](#) page.

As an example, a one-campus LEA that budgets and books expenditure records to campuses 101 and 001 should establish a crosswalk to move expenditures from Organization code 101 to Organization code 001.
