As an example, a one-campus LEA that budgets and books expenditure records to campuses 101 and 001 should establish a crosswalk to move expenditures from Organization code 101 to Organization code 001.

**TIP:** When performing a crosswalk, note that it transfers all items from the old to the new. For example, if using 060 Actual - Fund to Fund and you move Fund 255 to 211, all line items from Fund 255 will be moved to Fund 211, not just a specific line item.
