Under **Accounts Receivable:**

Field	Description
Global Access	Select to allow the user to view all invoices regardless of the originator.

Use the following fields to set default account codes to be used when creating an invoice on the Accounts Receivable > Maintenance > Create/Modify Invoice page:

Offset Obj	Type a four-digit object code. Or, click  to select an object code from the Objects lookup .
Offset Subj	Type a two-digit sub-object code. Or, click  to select a sub-object code from the Subobjects lookup .
Offset Org	Type a three-digit organization code. Or, click  to select an organization code from the Organizations lookup .

Under **Budget Amendment Requests:**

Allow Account Creation	Select to allow the user to create account codes on the Finance > Budget Amendment > Budget Amendment Maintenance and Finance > Budget Amendment > Approve Budget Amendment pages.
Allow Multiple Functions on Expenditure Accounts	Select to allow the user to access multiple functions on the Finance > Budget Amendment > Budget Amendment Maintenance and Finance > Budget Amendment > Approve Budget Amendment pages.
Global Access	Select to allow the user to view all budget amendment request records.

Under **Finance:**

Allow JV Account Creation	Select to allow the user to save a journal voucher entry with an account code that does not exist in the Chart of Accounts if all account code components exist in the tables. The account code is created upon clicking Save on the Finance > Maintenance > Postings > Journal Budget or Finance > Maintenance > Postings > Journal Actual tabs.
Post to Locked Account Period	Select to allow the user to post to the current accounting period even if Lock Current Accounting Period is selected on the Finance > Tables > District Finance Options > Accounting Periods tab. This field is not selected by default.
Travel Global Approver	Select to allow the user to view all travel reimbursement request records.

Under **Restock/Warehouse Requisition:**

Global Access	Select to allow the user to view all warehouse and restock requisition records.
