## *District Administration > Options > Login*

This page allows you to maintain ASCENDER user login preferences. These user login preferences apply to all ASCENDER Enterprise applications and the following portals: EmployeePortal, ParentPortal, StudentPortal, and TeacherPortal.

## Set ASCENDER login preferences:

❑ Under **Login Preferences**:

| Field | Description |
|---|---|
| **Invalid Password Attempts** | Set the maximum number of times a user can incorrectly type the password before the ASCENDER system locks the user out. This number must be less than or equal to 5. If the field is set to zero, there is no limit to the number of invalid login attempts. |
| **Lockout (in minutes)** | Set the length, in minutes, for which a user's account will remain locked after exceeding the maximum number of invalid login attempts. The user can attempt to log on again after the lockout period.<br><br>This number must be greater than or equal to 15. Zero is not allowed. |
| **Password Expiration (in days)** | Set the number of days before the password expires. This number must be less than or equal to 180. |

❑ Click **Save**.

## Other functions and features:
