# DA00001 - User Profile Report

## District Administration > Reports > User Profile Report

This report provides a list of users and their associated account numbers by application. The report is sorted by last name, and then by first name within each application section (e.g., BAR, PUR, RESTOCK, or WHSE).

Parameter	Description
<b>Select User(s), or blank for ALL</b>	Type the user ID number, or click  to select a user from the list.
<b>Select Process(s), or blank for ALL</b>	Type a process name, or click  to select a process from the list.
<b>Page Break By User ID? (Y/N)</b>	Y - Insert a page break on user ID. N - Do not insert a page break on user ID. This is a required field.
