This tab is used to record demographic information for the local education agency (LEA) as well as data reporting elements used for State Reporting purposes.

The data on this tab is shared between the ASCENDER Business and Student systems.

Set up LEA information:

Field	Description
Year	Verify that the correct school year is displayed. If not, type the four-digit school year for which you want to add or retrieve data and click **Retrieve**.
District Name	Type the LEA name.
District County Name	Type the county where the LEA is located. The field can be up to 20 characters.
District Type	Type or select the applicable district type. • If *P - Private* is selected, the **District Type** field defaults to *Private* on the Maintenance > Staff Demo > Service Record tab in Personnel. • If *I - Independent* or *C - Charter* are selected, the **District Type** field defaults to *Public* on the Maintenance > Staff Demo > Service Record tab in Personnel.
District Website	Type the Internet address for the LEA's website. The field can be up to 255 characters. **NOTE**: If your LEA's website is down when you save the record, an error message is displayed as the program is trying to connect to the website to validate the entry. Try again when the website is properly functioning.
District Email	Type the LEA's email address. This field can be up to 255 characters.
ESC Region Number	Type the region number of the Education Service Center that serves the LEA. The field must be two digits (e.g., Type 01 for Region 1.) and is required.

Under **Contracted Instructional Staff**:

❑ Click **+Add** to add a row.

Campus	PEIMS Reporting Element Type a three-digit campus ID. Or, click ⋮ to select a campus ID from the Campus lookup.
Program Intent Code	PEIMS Reporting Element Type a two-digit program intent code to indicate the particular set of students for whom the cost of instruction and other services are directed. Or, click ⋮ to select a code from the Program Intent Code lookup.
Nbr FTE	Type the measurement of the portion of professional contracted instructional staff, expressed as a multiple of the standard work day, such as 7.7 FTEs. When calculating contracted instructional staff FTEs, the following items must be considered: • The percent of the day worked (the number of hours worked divided by the number of work hours in the standard day), • The percent of days per week worked (the number of days worked divided by 5), and • The percentage of weeks worked (the number of weeks worked divided by the number of weeks in the work year). For example, Mrs. Jones is hired on a contracted instructional staff basis to teach the tuba to three tuba players. Her contract specifies that she will work two hours each Monday and each Friday for the entire school year. Her FTE is 0.25 (two hours worked divided by the eight-hour work day in the district) multiplied by 0.40 (two days divided by five days) multiplied by 1.0 (36 weeks worked divided by the 36-week instructional year), for a reported FTE of 0.10.
