District Administration > Tables > District Information > Shared Services Arrangement

This tab is used for state reporting purposes to identify the ESC/LEA fiscal agents and the ESC and/or LEA member(s) for each type of Shared Services Arrangement (SSA) that exists among two or more ESCs and/or LEAs.

According to TWEDS, the SSAOrgAssociationExt entity must be reported by each ESC and LEA participating in or is a member of an SSA. Reporting the SSAOrgAssociationExt includes the ESCs and LEAs serving as fiscal agents for a particular SSA.

This data is reported during the PEIMS Fall Submission. For additional guidance, review the SSAOrgAssociationExt Entity in the C049 table on the TWEDS website.

Add shared services arrangements:

Field	Description
Year	Verify that the correct reporting year is displayed. If not, type the correct four-digit reporting year for which you want to add or retrieve data and click **Retrieve**. For example, the reporting year for the 2024-2025 school year is 2025.
