Shared Services Arrangement - DA1200

District Administration > Tables > District Information > Shared Services Arrangement

This tab is used for state reporting purposes to identify the ESC/LEA fiscal agents and the ESC and/or LEA member(s) for each type of shared services arrangement (SSA) that exists among two or more ESCs and/or LEAs.

You can maintain financial information (actuals) for shared service arrangements. You can manage financial records by shared service type, fiscal agent, and fund/fiscal year. This information may be used to review programs, staff, and/or classes for funding purposes.

The **Shared Services Arrangements** records (left side of the page) must be added and saved before you can add corresponding data under **Shared Services Arrangements Amounts** (right side of the page). After you save a record under **Shared Services Arrangements**,  is displayed under **SSA Actuals**, which allows you to add records for that specific row under **Shared Services Arrangements Amounts** (right side of the page).

Add shared services arrangements and amounts:
