

First Approver - DA4000

First Approver - DA4000

District Administration > Workflow > First Approver

This page is used to create and maintain a list of first approvers for requisitions or change requests for each campus/department.

Notes:

- Only one approver per campus/department is allowed.
- If an approver is the first approver for multiple departments, he needs to be added to the table multiple times.
- Only a first approver is allowed to insert an approver after himself, if desired.

Add a first approver:

Field	Description
