## Welcome to ASCENDER

ASCENDER offers a full range of school management software to meet your needs:

- Business applications include: Accounts Receivable, Asset Management, Bank Reconciliation, Budget, Finance, Grants and Projects, Payroll, Personnel, Position Management (PMIS), Purchasing, and Warehouse
- Student applications include: Attendance, Discipline, Grade Reporting, Graduation Plan, Health, Registration, Scheduling, Special Education, and Test Scores
- State Reporting and Office of Civil Rights (OCR) Reporting complement the Business and Student systems
- Security Administration allows you to create user/password information and grant access to applications, menus, and tabs.
- District Administration allows you to maintain important LEA details and settings. This information complements the Business and Student systems.

**TIP:** Review the [ASCENDER Browser Settings document](#) for a list of supported browsers and recommended browser settings which will allow you to utilize the ASCENDER system at its fullest potential on any personal computer.

When you successfully log on to ASCENDER, the ASCENDER homepage is displayed. The page displays various pieces of information.

### Dashboard

Depending on your user profile, ASCENDER may offer a dashboard used to display important information from multiple sources into one, easy-to-access place.

#### Business users

Currently, there is only one dashboard element available for Business users:

##### Approval Summary

#### Student users

Currently, there is only one dashboard element available for Student users:

## Online Registration

If you have approval responsibilities in ASCENDER, the Online Registration is displayed on the ASCENDER homepage with a list of your approval types.

<b># Pending</b>	Displays the number of pending approval items for the corresponding approval type.
<b>Campus</b>	Displays the campus tied to the pending item, if applicable.
<b>Registration Type</b>	Displays a link to the page where you have pending approval items.

## Pending Approvals

In this example, the user has Pending Approvals for campuses 001, 041, and 101.
