# Employee Guide: Manage Leave

Welcome to ASCENDER EmployeePortal. This application provides you with access to various employee data inquiries and maintenance features.

EmployeePortal allows you to view year-to-date leave earned, leave used, and leave balances (including any unprocessed leave transactions entered for future payrolls). You can view up to 18 months of check stub information. In addition, you can create, edit, delete, and submit leave requests

Your local education agency (LEA) determines the pages and data fields that can be viewed and/or edited in EmployeePortal. If you have questions, please contact your EmployeePortal administrator.

## Before You Begin

Review the [ASCENDER EmployeePortal Navigation](#) page to familiarize yourself with the portal.

**TIP:** If you have any new notifications from EmployeePortal, the number of pending notifications is displayed in the top-right corner of the page on . Click  to view the Notifications box. You can either click **Mark All As Read** to mark all notifications as read and clear all notifications or click a notification to open the Notifications page. From the Notifications page, you have the option to **Mark All As Read** or click  to clear each individual notification.

## I. View Leave Balances

<b>Please select a frequency type</b>	Click  to select the payroll frequency for which you want to view leave balances.
<b>Leave Type</b>	The specific leave code(s) for which you have leave data is displayed. The leave types are first displayed in the order that is set for your check (called stub position), and then leave type code (01-99) order.
<b>Beginning Balance</b>	The leave balance as of the beginning of this year for each leave type is displayed.
<b>Advanced/Earned</b>	The number of units of leave advanced or earned as of the last pay period is displayed.
<b>Pending Earned</b>	The total leave earned but not yet processed through payroll is displayed.
<b>Used</b>	The number of units of leave used as of the last pay period is displayed.
<b>Pending Used</b>	The total leave pending and approved but not yet processed through payroll is displayed. This amount is subtracted from the <b>Available Balance</b> field.
<b>Available</b>	The total number of leave units still available for use is displayed. The <b>Available</b> balance is determined by the following calculation: (prior year balance + advanced earned + pending earned) - used - pending used
<b>Units</b>	Indicates the type of units (hours or days) that is used when calculating leave requests.

## View a specific range of leave data:

Leave Type	Date of Pay	Date of Leave	Leave Used	Leave Earned	Status
LOCAL SICK	07-30-2019	09-05-2019	1,000	0,000	Processed
LOCAL SICK	07-30-2019	09-02-2019	1,000	0,000	Processed

Use the following fields to filter the information by date range and/or leave type.

<b>Leave Type</b>	Click  to select the type of leave for which you want to view leave data. The leave type description is displayed.
-------------------	--

<p><b>From and To Date of Leave</b></p>	<p>Type the range of dates for which you want to view processed and unprocessed leave data or click  to select the dates.</p> <p><b>Note:</b> An LEA setting determines whether or not to show processed and unprocessed leave transactions. The from date may not exceed 18 months from the current date.</p> <p>You can leave the date fields blank to retrieve dates 18 months from the current date.</p> <p><b>Note:</b> The from and to date selections select leave dates rather than pay dates. Additionally, if the from and to dates are left blank, all future leave and all prior leave up to 18 months is retrieved. If a from date is entered and no to date is entered, all leave starting with the from date and all future leave is retrieved.</p>
---	---

Click **Retrieve**. A list of leave requests for the specified date range is displayed with the following data:

<b>Leave Type</b>	The leave type description for the leave request is displayed.
<b>Date of Pay</b>	The pay date for which leave was charged is displayed.
<b>Date of Leave</b>	The date for which the leave was taken is displayed in the mm dd yyyy format.
<b>Leave Used</b>	The number of units of leave taken is displayed.
<b>Leave Earned</b>	The number of units of leave earned is displayed.
<b>Status</b>	<p>Indicates the status of the leave (processed, not processed, or not posted to payroll). The data displayed here depends on certain LEA option settings. For example, if you know you have leave that has not gone through payroll processing, then the feature to display unprocessed leave was disabled by the LEA.</p> <p>Processed - The leave has been processed through payroll and posted to your leave master record.</p> <p>Not processed - The leave has not been processed through payroll and is not yet a part of your leave master record.</p> <p>Processed and not processed leave units have already been added to/subtracted (as appropriate) from your master leave record and are reflected in the leave grid.</p> <p>The <b>Available</b> field is reflective of what is available should all unprocessed leave be posted.</p>

## II. Manage Leave Requests

### **ASCENDER EmployeePortal > Leave Requests**

This page is used to create, edit, delete, and submit leave requests for the selected payroll frequency. After a leave request is processed by payroll, it is no longer displayed on this

page.

If this page is not enabled, check with your EmployeePortal administrator, as the LEA may have opted to not allow access.

If a message is available from your LEA, it is displayed in red at the top of the page.

<b>Payroll Frequency</b>	Click  to select the payroll frequency for which you want to create a leave request. If you have leave in multiple payroll frequencies such as biweekly, semimonthly, and monthly, those options are displayed and can be selected.
--------------------------	---

Under **Unprocessed Leave Requests**, a list of your unprocessed (not processed by payroll) leave requests is displayed, if any. The following details are displayed for each leave request:

<b>Start and End Date</b>	The start and end date range for the leave request is displayed in the MM-DD-YYYY format.
<b>Start and End Time</b>	The start and end time range for the leave request is displayed in the HH MM format and click  to select AM or PM.
<b>Leave Type</b>	The type of requested leave is displayed.
<b>Comment Log</b>	Any employee (requestor) comments that were added to the leave request are displayed.
<b>Status</b>	<p>The current status of the leave request is displayed.</p> <p>When a leave request is created, an email message is automatically sent to your direct supervisor notifying him of the request and prompting him to approve or disapprove the leave request. The status of the leave request is updated to <i>Pending Spvsr Approval</i>.</p> <p>After a leave request is approved by your supervisor, an email message is automatically sent to the email address listed on your demographic record notifying you of the action. The status of the leave request is updated to <i>Pending Payroll</i>.</p> <p>If a leave request is disapproved by your supervisor, an email message is automatically sent to the email address listed on your demographic record notifying you of the action. The status of the leave request is updated to <i>Disapproved</i>. You can edit and resubmit the leave request or delete the leave request.</p> <p>After a leave request is processed by payroll, it is no longer displayed on this page.</p>

## Create a leave request:

You have two options to create a leave request.

**Option 1:** Click **Add** in the upper-right corner of the Leave Requests page. The Create Leave Requests pop-up window opens allowing you to enter the details of your leave request.

HOURLY DOCK	10.000	0.000	0.000	0.000	8.000	2.000	HOURS

**Option 2:** From the EmployeePortal homepage calendar, you will notice that the current day is highlighted in yellow.

**TIP:** If you have an existing approved or pending leave request, the entry is displayed for that calendar day. You can click the entry to open the details of the request and edit the request as needed. If you have an existing processed leave request, you can click the entry to open the details of the request; however, you cannot edit the request.

- Click the day for which you want to enter a leave request. The Add Request Type pop-up window opens allowing you select the type of request you want to enter.

- Click **Leave**. The Create Leave Requests pop-up window opens allowing you to enter the details of your leave request. The **Start Date** and **End Date** fields are automatically populated with the date you selected.

Your leave balances are displayed at the bottom of the Create Leave Requests window under **Leave Balance Summary**.

- Complete the following information for the leave entry:

<b>Leave Type</b>	Click  to select the type of leave that you want to request. Only leave types assigned to you are displayed. An LEA setting determines whether or not you can use a leave type with a zero balance. All assigned active leave types are displayed even if the leave type amount is zero.
<b>Absence Reason</b>	Click  to select the absence reason. The absence reasons are determined by your LEA and correspond to the selected leave type.
<b>Start Date</b>	Type the start date for which you want to request leave in the MM/DD/YYYY format or click  to select a date from the calendar.
<b>End Date</b>	This field is automatically populated with the date selected in the <b>Start Date</b> field; however, you can change the date. Type the end date for which you want to request leave in the MM/DD/YYYY format or click  to select a date from the calendar. You can use this field to cover consecutive dates of a leave request excluding the weekend (Saturday/Sunday).
<b>Start Time</b>	Type the beginning time in the HH MM format for which you want to request leave. Click  to select AM or PM.

<b>End Time</b>	Type the end time in the HH MM format for which you want to request leave. Click  to select AM or PM.
<b>Hours/Day Requested</b>	The number of hours per day for which you are requesting leave is automatically calculated based on the <b>Start Time</b> and <b>End Time</b> of the leave request. If the field is not automatically calculated, you must manually type the number of hours per day for which you are requesting leave. An LEA setting determines whether or not this field is automatically calculated.
<b>Total Requested</b>	Indicates the total amount of requested leave in the specified units.
<b>Remarks</b>	Type any comments related to your leave request. The comments are available to all approvers.

The leave balance amounts translate to hours or days based on the assigned unit type for the selected leave type.

<b>Leave Type</b>	The specific leave code(s) for which you have leave data is displayed. The leave types are first displayed in the order that is set for your check (called stub position), and then leave type code (01-99) order.
<b>Beginning Balance</b>	The leave balance as of the beginning of this year for each leave type is displayed.
<b>Advanced/Earned</b>	The number of units of leave advanced or earned as of the last pay period is displayed.
<b>Pending Earned</b>	The total leave earned but not yet processed through payroll is displayed.
<b>Used</b>	The number of units of leave used as of the last pay period is displayed.
<b>Pending Used</b>	The total leave pending and approved but not yet processed through payroll is displayed. This amount is subtracted from the <b>Available Balance</b> field.
<b>Available</b>	Indicates the number of units of leave still available for use. The <b>Available</b> is based on beginning balance, plus advanced/earned, plus pending earned, less used, and less pending used.
<b>Units</b>	Indicates the type of units (hours or days) that are used when calculating leave requests.

After completing your leave request entry, use one of the following options to continue:

- Click **Submit and Add** to submit the leave request to your supervisor for approval and remain on the Create Leave Requests window to continue adding additional leave request entries.
- Click **Submit and Close** to submit the leave request to your supervisor for approval and close the Create Leave Requests window.
  - A leave request is created and an email message is sent to your direct supervisor to notify them that a leave request is pending their approval.
  - Depending on the leave type, additional approvers may be in the approval path for the leave request.
  - If you are set as the temporary approver for your supervisor, and you enter a leave request when your supervisor is unavailable, the request is submitted to your supervisor's supervisor. You are not allowed to approve your own leave requests.
  - When a leave request is approved or disapproved, an email message is automatically sent to the email address listed on your demographic record notifying you of the action.

- If your leave request is approved, the approval email message will contain links to add your approved leave request as a calendar event in Outlook and Google.
- Click **X** or **Cancel** to close the pop-up window without submitting any leave requests and return to the Leave Requests page.

## 2. [Edit and delete leave requests.](#)

You can edit a leave request until it is processed by payroll in which case, the leave request is no longer displayed under **Unprocessed Leave Requests** and no longer editable from the homepage calendar.

<b>Edit</b>	Click <b>Edit</b> next to the leave request that you want to edit. The Edit Leave Requests window opens. Make the necessary changes and click <b>Resubmit for Approval</b> to resubmit the edited leave request for approval. Otherwise, click <b>Cancel</b> to return to the Leave Requests page.
-------------	---

You can delete a leave request until it is processed by payroll in which case, the leave request is no longer displayed under **Unprocessed Leave Requests** and no longer editable from the homepage calendar.

<b>Delete</b>	Click <b>Delete</b> next to the leave request that you want to delete. A message prompting you to confirm deletion is displayed. Click <b>OK</b> to delete the leave request. Otherwise, click <b>Cancel</b> to return to the Leave Requests page.
---------------	---

**Note:** If you delete a leave request that has already been approved by your supervisor, your supervisor will receive an email notification.
