Table of Contents

Leave Type	Click  to select the type of leave that you want to request. Only leave types assigned to you are displayed. A district setting determines whether or not you can use a leave type with a zero balance.
Absence Reason	Click  to select the absence reason. The absence reasons are determined by your district and correspond to the selected leave type.
Start Date	Type the start date for which you want to request leave in the MM/DD/YYYY format or click  to select a date from the calendar.
End Date	This field is automatically populated with the date selected in the Start Date field; however, you can change the date. Type the end date for which you want to request leave in the MM/DD/YYYY format or click  to select a date from the calendar. You can use this field to cover consecutive dates of a leave request excluding the weekend (Saturday/Sunday).
Start Time	Type the beginning time in the HH MM format for which you want to request leave. Click  to select AM or PM.
End Time	Type the end time in the HH MM format for which you want to request leave. Click  to select AM or PM.
Hours/Day Requested	The number of hours per day for which you are requesting leave is automatically calculated based on the Start Time and End Time of the leave request. If the field is not automatically calculated, you must manually type the number of hours per day for which you are requesting leave. An LEA setting determines whether or not this field is automatically calculated.
Total Requested	Indicates the total amount of requested leave in the specified units.
Remarks	Type any comments related to your leave request. The comments are available to all approvers.

The leave balance amounts translate to hours or days based on the assigned unit type for the selected leave type.

Leave Type	The specific leave code(s) for which you have leave data is displayed. The leave types are first displayed in the order that is set for your check (called stub position), and then leave type code (01-99) order.
Beginning Balance	The leave balance as of the beginning of this year for each leave type is displayed.
Advanced/Earned	The number of units of leave advanced or earned as of the last pay period is displayed.
Pending Earned	The total leave earned but not yet processed through payroll is displayed.
Used	The number of units of leave used as of the last pay period is displayed.
Pending Used	The total leave pending and approved but not yet processed through payroll is displayed. This amount is subtracted from the Available Balance field.
Available	Indicates the number of units of leave still available for use. The Available is based on beginning balance, plus advanced/earned, plus pending earned, less used, and less pending used.
Units	Indicates the type of units (hours or days) that is used when calculating leave requests.

After completing the leave request entry, use one of the following options to submit your request for approval:

Click **Submit and Add** to submit the leave request to your supervisor for approval and remain on the Create Leave Requests window to continue adding additional leave request entries.

Submit and Close to submit the leave request to your supervisor for approval and close the Create Leave Requests window.

- A leave request is created and an email message is sent to your direct supervisor notifying him that there is a leave request pending approval.
- Depending on the leave type, additional approvers may be in the approval path for the leave request.
- If you are set as the temporary approver for your supervisor, and you enter a leave request when your supervisor is unavailable, the request is submitted to your supervisor's supervisor. You are not allowed to approve your own leave requests.
- When a leave request is approved or disapproved, an email message is automatically sent to the email address listed on your Human Resources demographic record notifying you of the action.

Click **Cancel** to close the window without submitting any requests and return to the Leave Requests page.
