# Table of Contents

You have two options to create a travel request.

**Option 1:** Click **Add** in the upper-right corner of the Travel Requests page.

The screenshot shows the 'Travel Requests' page. In the top right corner, there is a blue 'Add' button with a red arrow pointing to it. Below the header, there is a light blue section containing vendor and address information: Vendor Nbr: 39696, Address: 2142, O'BRIEN STREET, D'HANIS, TX 46119. To the right, it shows Commute Distance: 0.0 with a 'Change' link and Pay Campus: 001. Below this is a search section with 'Status' set to 'All', 'From Date' and 'To Date' fields with date pickers, and a 'Retrieve' button. At the bottom, there is a table header with columns: Travel Nbr, First Date, Status, Request Total, Check Nbr, and Check Date. The table currently shows 'No Results Found'.

The Add Travel Request pop-up window opens allowing you to begin entering the details of your travel request.

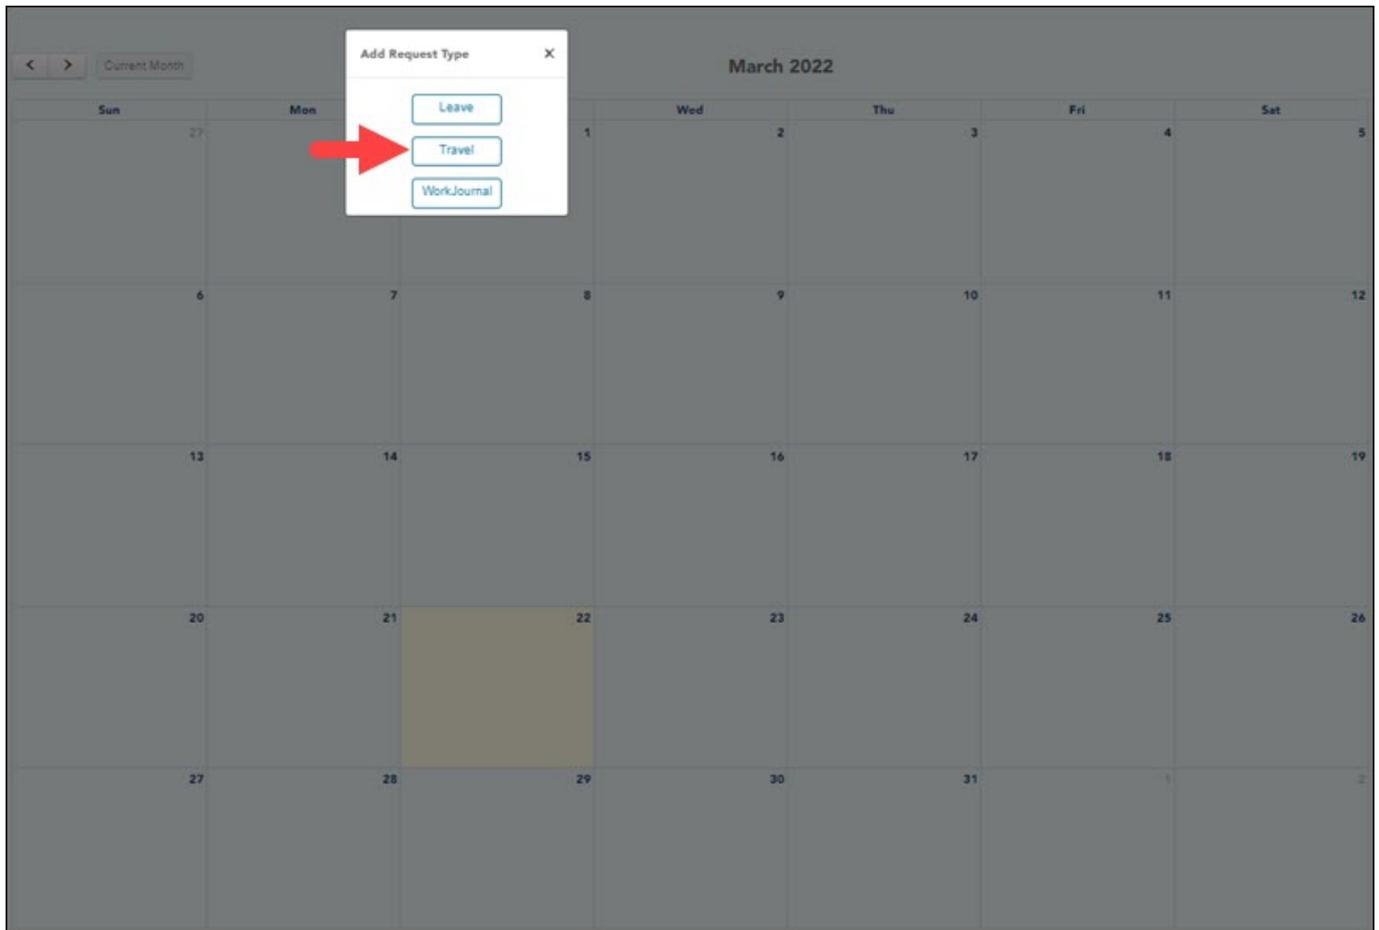

The screenshot shows the 'Add Travel Request' pop-up window. It has a title bar with 'Add Travel Request' and a close button. The form contains three input fields: 'From Date' with a date picker icon and 'mm-dd-yyyy' text, 'To Date' with a date picker icon and 'mm-dd-yyyy' text, and 'Campus' with a dropdown menu showing '001'. At the bottom right, there are two buttons: 'Add' and 'Cancel'.

- If entering a regular mileage request, reference the **Mileage travel request** section.
- If entering an extended (multiple consecutive travel dates) mileage request, reference the **Extended travel request** section.

**Option 2:** From the EmployeePortal homepage calendar, you will notice that the current day is highlighted in yellow. Click the day for which you want to enter a travel request. The Add Request Type pop-up window opens allowing you select the type of request you want to enter.

**TIP:** If you have any existing approved, pending, or saved travel requests, the entry is displayed for that day on the calendar. You can click the entry to open the details of the request.

☐ Click **Travel**. The Add Travel Request pop-up window opens. The **From Date** and **To Date** fields are automatically populated with the date you selected from the calendar. For extended travel requests, select the applicable **To Date**.

- If entering a regular mileage request, reference the **Mileage travel request** section.
- If entering an extended (multiple consecutive travel dates) mileage request, reference the **Extended travel request** section.

### Mileage travel request:

If entering a single travel date or multiple consecutive travel dates for non-extended travel (mileage & incidentals), ensure the following fields are completed:

<b>From Date</b>	Type the date on which the travel occurred in the MM-DD-YYYY format. Or, click  to select a date. If entering a single date of travel, a <b>To Date</b> is not necessary.
<b>To Date</b>	Type the date on which the travel ended in the MM-DD-YYYY format. Or, click  to select a date.
<b>Campus</b>	The campus is automatically populated with your assigned pay campus.  <b>Admin Note:</b> The pay campus is retrieved from the highest pay frequency where the employee is active.

If the **From Date** and **To Date** selections exceed a single day, the **Overnight Trip?** check box is displayed.

**Do not** select the **Overnight Trip?** check box for non-extended travel.

**Note:** Selecting the **Overnight Trip?** check box allows the display of the additional fields needed when creating an extended travel request entry.

Click **Add**. The Travel Request page is displayed with an entry for each day of your travel with dates populated according to your selected to/from dates.

Otherwise, click **Cancel** to close the Add Travel Request pop-window and return to the EmployeePortal calendar or the Travel Request page.

The Travel Summary is displayed at the top of the page with the following details:

**Note:** If you are entering a new request, this information is blank.

- **Travel Nbr** - Displays the assigned travel number.
- **Status** - Displays the status of the travel request.
- **Date Entered** - Displays the date the travel request was entered.
- **Total Miles** - Displays the total miles traveled minus commute miles.
- **Total Misc** - Displays the total amount of all miscellaneous items.
- **Total Request** - Displays the total amount of the travel request (mileage + miscellaneous items).
- **Account** - Displays the assigned account codes to be expensed.
- **Amount** - Displays the amount to be expensed for each assigned account code.
- **Approver** - Displays the approver's name.

- **Alternate Approver** - Displays the approver's alternate approver if any.
- **Approval Status** - Displays the approver's approval status (*Approved, Pending, or Returned*).

**Mileage Travel Request**

Complete the following information for the request:

<b>Date</b>	The travel date is automatically populated with the date you selected in the Add Travel Request window but can be changed. Type the date on which the travel occurred in the MM-DD-YYYY format. Or, click  to select a date from the calendar.
<b>From Time</b>	Type the time at which you departed the origin location (start time) in the HH MM AM/PM format. Or, click  to select the start time.
<b>To Time</b>	If the entry is round trip, type the time at which you returned to the origin location (end time) in the HH MM AM/PM format. If the entry is a one-way trip, type the time you arrived at your destination. Or, click  to select the end time.
<b>Contact</b>	Type the name of your contact person at the destination. This field can be a maximum of 40 characters and is required.
<b>Purpose</b>	Type the purpose of the trip. This field can be a maximum of 180 characters and is required.
<b>Mileage Start</b>	Type the beginning odometer reading. If this field is used, leave the <b>Map</b> field blank.
<b>Mileage Stop</b>	Type the ending odometer reading. If this field is used, leave the <b>Map</b> field blank.
<b>Mileage Map</b>	This field can be used to enter the total reimbursable miles. If this field is used, leave the <b>Mileage Start/Stop</b> fields blank.  Type the number of miles from the point of origin to the destination point if one-way, calculated using mapping software. For round-trip, double the mileage of the one-way total.
<b>Tot</b>	The total mileage (Start Mileage - Stop Mileage) for the entry is calculated and displayed.

<b>Round Trip</b>	Select to indicate that the entry is round trip with the same mileage each way (two one-way trips, one from Point A to Point B and the other from Point B to Point A). Selecting <b>Round Trip</b> doubles the total mileage for the entry.
<b>Commute</b>	Select to include your commute distance in the mileage calculation. This is the mileage that you would normally travel from home to work and vice versa.  If <b>Round Trip</b> is selected, the commute mileage is deducted twice from the total mileage. If <b>Round Trip</b> is not selected, the commute mileage is only deducted once from the total mileage.  For example, if you enter a one-way trip leaving from home to a destination for a total of 50 miles and your commute distance is set to 20 miles, then your total mileage for the request is 30 miles (50 - 20).
<b>Mileage Rate</b>	The mileage reimbursement rate is displayed. This rate is set up in the ASCENDER Finance application according to the travel dates.
<b>Total Mileage Amount</b>	The total amount to be reimbursed for the entry (Total Mileage - Commute Distance x Mileage Reimbursement Rate) is displayed.
<b>Misc Amt</b>	Type the amount of any additional expenses for items such as tolls, parking fees, etc. In the <b>Misc Reason</b> field, indicate the reason for the miscellaneous amount.

**TIP:** If the **Mileage** (Start, Stop, and Map) fields, **Point of Origin**, and **Destination** fields are disabled, the Location Locking feature has been enabled by your EmployeePortal administrator and you must click the [Locations](#) link to select from a predefined list of travel locations and distances.

Under **Point of Origin:**

<b>Origin Description</b>	Type a description for the starting location.
<b>Origin Address</b>	Type the address at which you started.
<b>City</b>	Type the city name for the origin address. This field can be a maximum of 25 characters.
<b>State</b>	Click  to select a state for the origin address.
<b>Zip</b>	Type the five-digit zip code for the origin address.

Under **Destination:**

<b>Destination Description</b>	Type a description for the ending location.
<b>Destination Address</b>	Type the address to which you traveled.
<b>City</b>	Type the city name for the destination address. This field can be a maximum of 25 characters.
<b>State</b>	Click  to select a state for the destination address.
<b>Zip</b>	Type the five-digit zip code for the destination address.

If Location Locking is enabled, click the **Locations** link to open and select from a predefined list of travel locations.

## Assign account codes:

Click the **Account Codes** link to assign an account code to a specific travel day within the travel request. Or, click the **Assign Account Codes** button at the top of the page to assign account codes to the entire travel request.

The Assign Account Codes pop-up window opens allowing you to enter account code information for the travel request. Only account codes to which you have access are displayed.

Delete	Account Code	Description	Percent	Amount
	XXX-XX-XXXX.XX-XXX-XXXXXX		0.0	0.00
			0.0%	0.00
Total Reimbursement:				28.00

Calculate Percent Calculate Amount + Add

OK Cancel

The **Assign Account Codes** button overrides any accounts code assignments for a specific travel day within a travel request.

- Click **+Add** to add a blank account code line. You can add additional account codes rows as needed.
- In the **Account Code** column, type the account code. Or, click to open the Account Codes pop-up window and search for an account code.
  - Type the applicable account code components, click to open the Fund Search pop-up window, or leave blank for all account codes, and then click **Search**. A list of available account codes is displayed.
  - Select an account code from the list. The **Account Code** and **Description** fields are populated with the selected account code.
  - Click **Clear** to clear your selections.
  - Click X to close the Account Codes pop-up window.
- In the **Percent** column, type the percent of the travel request amount to be expensed to the account code. Or, in the **Amount** column, type the dollar amount of the travel request amount to be expensed to the account code.

Click **Calculate Percent** to populate the **Percent** column based on the amount entered in the **Amount** column.

Click **Calculate Amount** to populate the **Amount** column based on the percentage entered in the **Percent** column.

The total percentage and amount distribution for all accounts listed is displayed.

Click **OK** to save your changes and close the pop-up window. Click **X** or **Cancel** to close the pop-up window without saving your changes.

Click **+** to add an additional travel request entry.

**Extended travel request:**

If entering multiple consecutive travel dates for extended travel (mileage, lodging, meals, and incidentals), complete the following fields:

<b>From Date</b>	Type the date on which the travel occurred in the MM-DD-YYYY format. Or, click  to select a date. If entering an extended travel request, indicate the first date of travel.
<b>To Date</b>	Type the date on which the travel ended in the MM-DD-YYYY format. Or, click  to select a date. If entering an extended travel request, indicate the last date of travel.
<b>Campus</b>	The campus is automatically populated with your assigned pay campus.  <b>Admin Note:</b> The pay campus is retrieved from the highest pay frequency where the employee is active.

If the **From Date** and **To Date** selections exceed a single day, the **Overnight Trip?** check box is displayed.

Select the **Overnight Trip?** check box. The time fields are displayed.

**Note:** Selecting the **Overnight Trip?** check box allows the display of the additional fields needed when creating an extended travel request entry.

<b>From Time</b>	Type the time at which you departed the origin location (start time) in the HH MM AM/PM format. Or, click  to select the start time.
<b>To Time</b>	Type the time at which you returned to the origin location (end time) in the HH MM AM/PM format. Or, click  to select the end time.

Click **Add**. The Travel Request page is displayed with an entry for each day of your travel with dates populated according to your selected to/from dates.

Otherwise, click **Cancel** to close the Add Travel Request pop-window and return to the EmployeePortal calendar or the Travel Request page.

The Travel Summary is displayed at the top of the page with the following details:

**Note:** If you are entering a new request, this information is blank.

- **Travel Nbr** - Displays the assigned travel number.
- **Status** - Displays the status of the travel request.
- **Date Entered** - Displays the date the travel request was entered.
- **Total Miles** - Displays the total miles traveled minus commute miles.
- **Total Misc** - Displays the total amount of all miscellaneous items.
- **Total Request** - Displays the total amount of the travel request (mileage + miscellaneous items).
- **Account** - Displays the assigned account codes to be expensed.
- **Approver** - Displays the approver's name.
- **Alternate Approver** - Displays the approver's alternate approver if any.
- **Approval Status** - Displays the approver's approval status (*Approved, Pending, or Returned*).

### Assign account codes:

Click the **Account Codes** link to assign an account code to a specific travel day within the travel request. Or, click the **Assign Account Codes** button at the top of the page to assign account codes to the entire travel request.

The Assign Account Codes pop-up window opens allowing you to enter account code information for the travel request. Only account codes to which you have access are displayed.

The **Assign Account Codes** button overrides any accounts code assignments for a specific travel day within a travel request.

- Click **+Add** to add a blank account code line. You can add additional account codes rows as needed.
- In the **Account Code** column, type the account code. Or, click  to open the Account Codes pop-up window and search for an account code.
  - Type the applicable account code components, click  to open the Fund Search pop-up window, or leave blank for all account codes, and then click **Search**. A list of available account codes is displayed.
  - Select an account code from the list. The **Account Code** and **Description** fields are populated with the selected account code.
  - Click **Clear** to clear your selections.
  - Click X to close the Account Codes pop-up window.
- In the **Percent** column, type the percent of the travel request amount to be expensed to the account code. Or, in the **Amount** column, type the dollar amount of the travel request amount to be expensed to the account code.

Click **Calculate Percent** to populate the **Percent** column based on the amount entered in the **Amount** column.

Click **Calculate Amount** to populate the **Amount** column based on the percentage entered in the **Percent** column.

The total percentage and amount distribution for all accounts listed is displayed.

Click **OK** to save your changes and close the pop-up window. Click **X** or **Cancel** to close the pop-up window without saving your changes.
