

ASCENDER
**EMPLOYEE
PORTAL**

ASCENDER GUIDES

ASCENDER.
ELEVATING TECHNOLOGY SOLUTIONS

The graphic features a black background on the left with a white and blue stylized 'A' logo. To the right is a vertical photograph of a tree trunk with a blue tint. The text is arranged in three horizontal sections: the top section contains the 'ASCENDER EMPLOYEE PORTAL' logo, the middle section is a blue bar with 'ASCENDER GUIDES' in white, and the bottom section contains the 'ASCENDER. ELEVATING TECHNOLOGY SOLUTIONS' logo.

Table of Contents

Assign account codes:

Click the **Account Codes** link to assign an account code to a specific travel day within the travel request. Or, click the **Assign Account Codes** button at the top of the page to assign account codes to the entire travel request.

The Assign Account Codes pop-up window opens allowing you to enter account code information for the travel request. Only account codes to which you have access are displayed.

The **Assign Account Codes** button overrides any accounts code assignments for a specific travel day within a travel request.

- Click **+Add** to add a blank account code line. You can add additional account codes rows as needed.
- In the **Account Code** column, type the account code. Or, click  to open the Account Codes pop-up window and search for an account code.
 - Type the applicable account code components, click  to open the Fund Search pop-up window, or leave blank for all account codes, and then click **Search**. A list of available account codes is displayed.
 - Select an account code from the list. The **Account Code** and **Description** fields are populated with the selected account code.
 - Click **Clear** to clear your selections.
 - Click X to close the Account Codes pop-up window.
- In the **Percent** column, type the percent of the travel request amount to be expensed to the account code. Or, in the **Amount** column, type the dollar amount of the travel request amount to be expensed to the account code.

Click **Calculate Percent** to populate the **Percent** column based on the amount entered in the **Amount** column.

Click **Calculate Amount** to populate the **Amount** column based on the percentage entered in the **Percent** column.

The total percentage and amount distribution for all accounts listed is displayed.

Click **OK** to save your changes and close the pop-up window. Click **X** or **Cancel** to close the pop-up window without saving your changes.

Click **+** to add an additional travel request entry.
