EmployeePortal > Supervisor > Approve Leave Requests

This page is used to approve or disapprove employee leave requests. Additionally, you can review and take action on any leave requests that are submitted to your direct report employees who are supervisors.

If a direct report employee submits a leave request, an email message is automatically sent to the email address listed on your demographic record prompting you to take action on the leave request. Therefore, it is important that all approvers in the approval path have an email address listed on their demographic record in Human Resources. In addition, you will receive a message notification in the top-right corner of the page.

When you access the Approve Leave Requests page, your name is displayed in the **Supervisor Hierarchy** field and a list of leave requests pending your action is displayed.
