Deductions

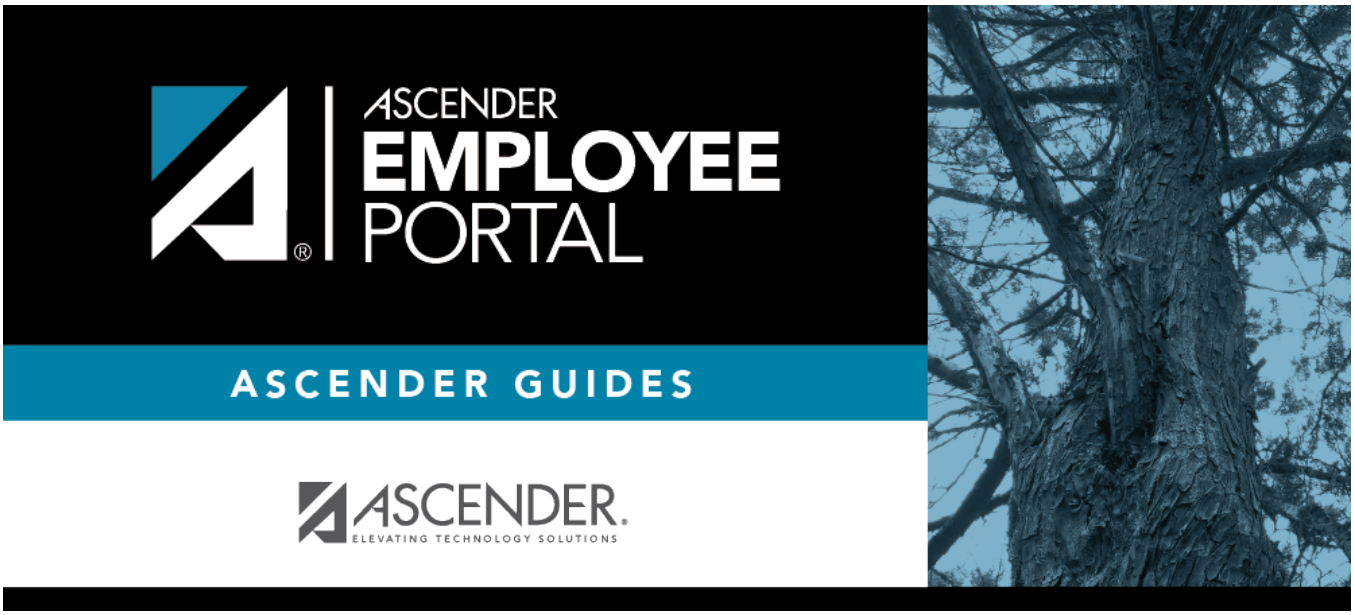

EmployeePortal > Inquiry > Deductions

This page is used to view your current payroll deduction information. If you have requested modifications to your deductions and and those changes are not displayed, the district has yet to process the changes. If applicable, the employer's contributions to the deductions are also displayed in addition to your marital status and number of exemptions. If this page is not enabled, check with your district administrator, as the district may have opted not to allow access.

View deduction data:

Under **Frequency**:

Field	Description
Marital Status	Your marital tax-filing status is displayed.
Number of Exemptions	The number of exemptions you are claiming for the purpose of tax withholding is displayed.
Deduction Code	The three-digit deduction code is displayed.
Description	Type of deduction is displayed.
Amount	The amount of the deduction for each deduction code is displayed.
Cafeteria Flag	Each deduction included in the cafeteria plan is displayed.
Employer Contribution Amount	The amount, if any, that the employer is contributing to the specific deduction is displayed.
