Set Temporary Approvers

Employee Access > Leave > Supervisor > Set Temporary Approvers

This page is used to temporarily assign your approval duties to an alternate approver. You can provide a date range during which you are not available and specify the temporary approval path.

Temporary approvers must have an employee record in Human Resources (not a nonemployee record created in District Administration), an email address on the Maintenance > Staff Demo > Demographic tab in Human Resources, and an active user profile with an employee number in Security Administration. If you are the next approver in the temporary approval path during the date range in which you are not available, the temporary approver replaces you in the approval path and receives an email message prompting him to take action on any submitted leave requests.

If this page is disabled, check with your district administrator, as the district may have opted not to allow access.

Set a temporary approver:
