Approve WorkJournals

EmployeePortal > Supervisor > Approve WorkJournals

This page is used to approve or disapprove employee WorkJournal requests. Additionally, you can review and take action on any leave requests that are submitted to your direct report employees who are supervisors.

If a direct report employee or supervisor submits a leave request, an email message is automatically sent to the email address listed on your demographic record prompting you to take action on the leave request. Therefore, it is important that all approvers in the approval path have an email address listed on their demographic record in Personnel.

If this page is not enabled, check with your EmployeePortal administrator as the LEA may have opted to not allow access.
