AP Test Scores Import (2017)

Column #	Column Name	Optional	Data Type	Comment
Student Information				
1	AP Number	No	VARCHAR2(8)	Student's AP registration number for this exam administration. This is unique per student per administration year.
2	Last Name	No	VARCHAR2(15)	The student's surname.
3	First Name	No	VARCHAR2(12)	The student's given name.
4	Middle Initial	Yes	VARCHAR2(1)	The student's middle initial.
5	Student Street Address 1	Yes	VARCHAR2(30)	First line of the student's street address
6	Student Street Address 2	Yes	VARCHAR2(30)	Second line of the student's street address
7	Student Street Address 3	Yes	VARCHAR2(30)	Third line of the student's street address
8	Student State	Yes	VARCHAR2(2)	Domestic Only
9	Student Zip Code	Yes	VARCHAR2(9)	Domestic Only
10	Student Province	Yes	VARCHAR2(32)	International Only
11	Student International Postal Code	Yes	VARCHAR2(10)	International Only
12	Student Country Code	Yes	VARCHAR2(3)	International Only
13	Sex	No	VARCHAR2(1)	M = Male, F = Female, U = Unknown
14	Date of Birth	Yes	VARCHAR2(6)	Format = MMDDYY
15	Social Security Number	Yes	VARCHAR2(9)	The nine-digit number of identification assigned to the student by the Social Security Administration
16	School ID	Yes	VARCHAR2(20)	
17	Education Level	No	VARCHAR2(2)	3 = < 9th Grade 4 = 9th Grade 5 = 10th Grade 6 = 11th Grade 7 = 12th Grade 8 = No longer in high school 11 = Unknown
18	Filler	Yes	VARCHAR2(3)	
19	Ethnic Group 2015 and Prior	Yes	VARCHAR2(2)	Code representing the race/ethnicity that the student has self-reported. The following race and ethnicity values are only valid for the 2015 and prior admins: 0 = I do not wish to respond 1 = American Indian or Alaska Native 2 = Asian, Asian American, or Pacific Islander 3 = Black or African American; 4 = Hispanic; 5 = Mexican or Mexican American; 6 = Puerto Rican; 7 = Other Hispanic, Latino, or Latin American 9 = White 10 = Other. If viewing a student record for the 2016 exam administration or after, this field will be blank. Refer to fields 243 and 244 for race/ethnicity data.
20	Student Search Indicator	No	VARCHAR2(1)	Identifies whether the student chose to participate in the College Board Student Search Service. Y = Yes N = No
21	Best Language	Yes	VARCHAR2(1)	Indicates which language the student knows best. 1 = English Only 3 = English and Another 4 = Another 0 = No Response
Previous AI Information (Occurs 2 times)				
22..	Previous AI Year [N] (where n represents the number of occurrences)	Yes	VARCHAR2(2)	Format = YY (year that student attended a previous school)
23..	Previous AI Code [N] (where n represents the number of occurrences)	Yes	VARCHAR2(6)	Unique code representing the school that student previously attended. Six digits, with leading zeros, if applicable.
Awards Information (Occurs 6 times)				

Interfaces

Column #	Column Name	Optional	Data Type	Comment
Student Information				
26..	Award Type [N] (where n represents the number of occurrences)	Yes	VARCHAR2(2)	01 = AP Scholar 02 = AP Scholar with Honor 03 = AP Scholar with Distinction 04 = State AP Scholar 05 = National AP Scholar 06 = National AP Scholar (Canada) 07 = AP International Diploma 08 = DoDEA AP Scholar 09 = International AP Schola 12 = National AP Scholar (Bermuda) 13 = AP Capstone Diploma 14 = AP Seminar and Research Certificate
27..	Award Year [N] (where n represents the number of occurrences)	Yes	VARCHAR2(2)	Format = YY (year in which the student qualified for the award)
High School Information				
38	AI Code	No	VARCHAR2(6)	Unique code identifying the school the student attended at the time of the exam administration. Six digits, with leading zeros, if applicable
39	Institution Name	Yes	VARCHAR2(30)	Name of the school the student attended at the time of the exam administration
40	AI Street Address 1	Yes	VARCHAR2(30)	First line of the street address of the school
41	AI Street Address 2	Yes	VARCHAR2(30)	Second line of the street address of the school
42	AI Street Address 3	Yes	VARCHAR2(30)	Third line of the street address of the school
43	AI State	Yes	VARCHAR2(2)	Domestic Only
44	AI Zip Code	Yes	VARCHAR2(5)	Domestic Only
45	AI Province	Yes	VARCHAR2(32)	International Only
46	AI International Postal Code	Yes	VARCHAR2(10)	International Only
47	AI Country Code	Yes	VARCHAR2(3)	International Only
College Institution Information (College Requested on the Student's Answer Sheet)				
48	College Code	Yes	VARCHAR2(6)	Format = 00####. Unique code identifying the college, university, or scholarship program to which the student has requested to send AP scores
49	Contact Name	Yes	VARCHAR2(30)	The contact within the institution to which the student has requested to send AP scores
50	Institution Name	Yes	VARCHAR2(30)	The name of the institution to which the student has requested to send AP scores
51	DI Street Address 1	Yes	VARCHAR2(30)	First line of the street address of the institution
52	DI Street Address 2	Yes	VARCHAR2(30)	Second line of the street address of the institution
53	DI Street Address 3	Yes	VARCHAR2(30)	Third line of the street address of the institution
54	DI State	Yes	VARCHAR2(2)	Domestic Only
55	DI Zip Code	Yes	VARCHAR2(5)	Domestic Only
56	DI Province	Yes	VARCHAR2(32)	International Only
57	DI International Postal Code	Yes	VARCHAR2(10)	International Only
58	DI Country Code	Yes	VARCHAR2(3)	International Only
Exam Information (Occurs 30 times) - Listed by most recent exam(s) first				
59..	Admin Year [N] (where n represents the number of occurrences)	No	VARCHAR2(2)	Format = YY (year in which the student took the exam)

Code	Irregularity Description																																																																																																																											
01	Multiple events																																																																																																																											
02	Score based on incomplete or otherwise irregular portfolio																																																																																																																											
03	Exam administered late-exam materials delayed																																																																																																																											
04	Student started exam late due to illness																																																																																																																											
05	Student lost 10-30 minutes due to illness																																																																																																																											
06	Student lost time due to illness																																																																																																																											
07	Student lost more than 1 hour due to illness																																																																																																																											
11	School reports certified disability																																																																																																																											
18	Student reports being ill during exam																																																																																																																											
19	School reported distraction during exam																																																																																																																											
20	School reported undertiming of 5 minutes or less																																																																																																																											
22	Score projected - 100% multiple-choice & written essay																																																																																																																											
24	Score projected from free-response section																																																																																																																											
27	Equation table not available-performance possibly affected																																																																																																																											
29	Score projected from multiple-choice section																																																																																																																											
30	Student started exam late																																																																																																																											
34	School reported distraction during exam																																																																																																																											
37	Portion of exam lost - score projected from remainder																																																																																																																											
38	Media not scorable - score projected from remainder																																																																																																																											
39	School started exam late																																																																																																																											
40	School reported undertiming of more than 5 minutes																																																																																																																											
41	Score projected based on speaking and essay parts																																																																																																																											
42	Portion unscorable - score projected from remainder																																																																																																																											
43	School reported equipment problem during exam																																																																																																																											
44	Score projected from multiple-choice section																																																																																																																											
49	Presentation score(s) not reported, projected from remainder																																																																																																																											
51	Score projected from free-response section																																																																																																																											
56	Score projected from multiple-choice and free-resp. sections																																																																																																																											
57	Score projected from multiple-choice and free-resp. sections																																																																																																																											
58	Score projected from multiple-choice and free-resp. sections																																																																																																																											
60	School reported overtiming of more than 10 minutes																																																																																																																											
61	School reported undertiming of more than 10 minutes																																																																																																																											
63	Part of tape not scorable - score projected from remainder																																																																																																																											
66	School reported overtiming of more than 5 minutes																																																																																																																											
67	Part of exam lost - 1 section retaken																																																																																																																											
68	Part of exam lost - 1 section retaken in August																																																																																																																											
70	School reported undertiming of more than 15 minutes																																																																																																																											
74	Part of exam unscorable - 1 section retaken																																																																																																																											
78	Score projected from 75% of exam																																																																																																																											
79	Score projected from 80% of exam																																																																																																																											
80	Score delayed - will be reported as soon as possible																																																																																																																											
81	Score delayed - will be reported as soon as possible																																																																																																																											
82	Score delayed - will be reported as soon as possible																																																																																																																											
83	Score delayed - will be reported as soon as possible																																																																																																																											
84	Score delayed - will be reported as soon as possible																																																																																																																											
85	Score delayed - will be reported as soon as possible																																																																																																																											
86	Score delayed - will be reported as soon as possible																																																																																																																											
87	Score canceled due to missing portion of exam																																																																																																																											
88	Score delayed - will be reported as soon as possible																																																																																																																											
89	Score delayed - will be reported as soon as possible																																																																																																																											
90	Score delayed - will be reported as soon as possible																																																																																																																											
91	Score canceled due to missing portion of exam																																																																																																																											
92	Score canceled																																																																																																																											
93	Score delayed - will be reported as soon as possible																																																																																																																											
94	Score canceled at student's request																																																																																																																											
95	Second exam canceled - was not authorized																																																																																																																											
96	In process - contact us if score not received by 9/1																																																																																																																											
97	Score delayed - will be reported as soon as possible																																																																																																																											
98	Score withheld on college report at student's request																																																																																																																											
64..	Class Section Code [N] (where n represents the number of occurrences)	Yes	VARCHAR2(1)	Number representing the specific section the student belongs to. Used to distinguish multiple class sections or multiple teachers teaching the same AP subject/exam. Valid values are 1-9, and is assigned by the AP Coordinator at the time of the exam administration.																																																																																																																								
History Information																																																																																																																												

Interfaces

Column #	Column Name	Optional	Data Type	Comment
Student Information				
239	Date Grades Released to College	Yes	VARCHAR2(6)	Format = MMDDYY
240	Date of Last Student Update	No	VARCHAR2(6)	Format = MMDDYY (date on which the student's record was last updated)
241	Date of this report	No	VARCHAR2(6)	
Student Information Continued				
242	Student Identifier	Yes	VARCHAR2(25)	A unique number or alpha code assigned to the student by the school, school system, state, or other entity
243	Race Ethnicity Student Response 2016 and Forward	Yes	VARCHAR(11)	<p>This field is populated for the 2016 exam administration and forward. The student's self-reported race and/or ethnicities.
