External Gradebook Absences Import

Use this TxEIS record layout to import absences from third-party grade book products.

IMPORTANT: Effective for the 2018-2019 school year: The file layout has been changed to accommodate a two-digit track. If you attempt to import a file to TxEIS with a one-digit track in the 2018-2019 school year, you will receive message "Invalid Import File" error message.

| Description | Length | Position | Notes |
