PFAI Export

The extract file name is PFAI_Extract_SchoolYear_CampusID+.csv (e.g., PFAI_Extract_2019_001.csv).

If the district is submitting a district-wide PFAI file, copy each campus extract into one file, and remove the campus ID from the name (e.g., PFAI_Extract_2019.csv). Save the exported document as a .csv file.

Notes:

- Staff data is from Human Resources > Maintenance > Staff Demo. If the district does not use ASCENDER Business, columns for staff information are blank.
- Do not use commas in the data fields; commas will cause the import to fail. If there is a comma in an email field, the email field will be blank when it is exported.
- Do not enter blank spaces in fields that will be empty.
- Do not insert blank rows into the file.
