Create Account

This page is used to create a new MemberPortal user account. You can create an account via the MemberPortal; however, you will not have access to any grant information until your fiscal agent or an admin user for your assigned member LEA completes your MemberPortal user profile. In some cases, your fiscal agent will create your account and provide you with the login details. If you are a new user, access the MemberPortal link provided by your fiscal agent or admin user.

When you access MemberPortal, the Login page is displayed.
