Extract Status

OCR > Extracts > Extract Status

This page displays a list of submitted extracts by campus and extract type.

View data:

Campus ID

Campus ID Type the campus ID for which to view extract status, or leave blank to view the extract status for all campuses.

Click **Retrieve**. A list of extracts is displayed according to your selections.

- You can re-sort the grid by clicking an underlined column heading.
- If there are multiple pages, [page through the list](#).

Campus ID

| <u>Job ID</u> | <u>Job Status</u> | <u>Job Type</u> | <u>Job Start</u> | <u>Job End</u> | <u>User Name</u> | <u>Email</u> | <u>Extract ID</u> | <u>School Year</u> | <u>Campus ID</u> |
|---------------|-------------------|------------------|------------------------|------------------------|------------------|--------------|-------------------|--------------------|------------------|
