Registration > Maintenance > Student Enrollment > Forms

Once you have completed the student's enrollment and assigned a student ID, the Forms tab displays forms submitted by parents during New Student Enrollment. You can also view any documents attached, such as birth certificate, driver licence, etc.

NOTE: For record status 5 students (*not currently enrolled in this district, will attend next year*), the submitted forms are displayed in the current year only. After Annual Student Data Rollover (ASDR) is run, the next year forms will be listed as the student's current year forms.
