Table of Contents

If you uploaded any documents on [Document Upload](#), you must create a form with each document in order to make it accessible to parents. If you have English and Spanish versions of documents, you must upload each document individually.

☐ Click **Add Form**. A pop-up window opens.

<SCREENSHOT - Create form using uploaded document>

Form Name	Type a name for the form. For a Spanish form, provide the name in Spanish.
Form Instructions	Type any specific district-level instructions for the form. For a Spanish form, provide the instructions in Spanish.
Campus	Select a campus in order to assign the form to a specific campus. Or, select <i>All Campus</i> if the form is used for all campuses in the district. If you select <i>All Campus</i>, each campus is listed, and you can remove individual campuses if needed. NOTE: If you select <i>All Campus</i> by mistake, click <i>Clear all</i> to clear all campuses at once.
Visible	Select Yes if you want the form to visible to parents in ParentPortal.

☐ Select the form from the list in the drop-down field.

For a Spanish form, be sure to select the Spanish version of the form.

<SCREEN SHOT>

☐ Click **Add Form**.

The form is added to the **Active Forms** list on the left side of the page, under **Static Forms**.

<SCREEN SHOT - Form added>

☐ Repeat for all remaining static documents, including Spanish documents.
