If you uploaded any documents on [Document Upload](#), you must create a form with each document in order to make it accessible to parents. If you have English and Spanish versions of documents, you must upload each document individually.

The screenshot shows the 'Form Creator' interface. On the left, there is a sidebar with a green '+ Add Form' button at the top. Below it, there is a section for 'Active Forms' with a dropdown arrow. Underneath, there are two sections: 'Static Forms' and 'Dynamic Forms'. Under 'Static Forms', there are two items: 'Supply list' and 'Testing static form instructions'. Under 'Dynamic Forms', there is one item: 'Contacts'. The main area of the interface is titled 'Edit Form' and contains a 'Copy Form' button in the top right corner. Below the title, there is a 'Language:' dropdown menu set to 'English'. Further down, there are three input fields: 'Form Name:' (a text input), 'Campus:' (a dropdown menu), and 'Form Instructions:' (a text input).
