## District & Campus: Set Up ParentPortal

Districts and campuses should follow these steps to set up and maintain ParentPortal settings.

### Prerequisites:

- Be sure you have considered and completed all steps in the [Overview & Before You Begin](#) list.
- You must have district-level administrative access the District Settings page.
- You must have district- or campus-level administrative access the Campus Settings page.

#### 1. [Log on to ParentPortal as an administrator.](#)

Administrator access to ParentPortal is accomplished by a separate Administrator Login page containing **adminLogin?distid=xxxxxx** in the application URL, where xxxxxx is the county-district ID.

From the Administrator Login page, type your administrative user name and password and click **Login**.

The Administrator website opens with User Settings as the default page.

## 2. Update district settings for ParentPortal.

### **ASCENDER ParentPortal Admin > Admin Menu > District Settings**

This page allows administrative users to manage the district-wide ASCENDER ParentPortal settings, such as site theme and security questions.

**NOTE:** Selections are automatically saved for most fields. Clicking **Save** is only required where indicated.

## Access Control

### Site Access:

- Enable or disable access to ASCENDER ParentPortal.

<p><b>ParentPortal is</b></p>	<p><b>Active</b> is displayed if the application is currently available to parents.</p> <p><b>Inactive</b> is displayed if the application is not currently available to parents.</p> <p><b>NOTE:</b> Parents will receive a message that the portal is <b>Inactive</b> when it has been disabled by the district.</p>
<p><b>ParentPortal is active as of</b></p>	<p>The date for the active/inactive setting is displayed.</p> <p>If <b>Active</b>, the date indicates when ParentPortal became active.</p> <p>If <b>Inactive</b>, the date indicates when ParentPortal will become active.</p> <p>To change the date, click <b>Change</b>.</p> <p>In the <b>ASCENDER ParentPortal will be active as of</b> field, type the new date. Click <b>Save</b>.</p> <p>The new date is displayed, and the system is automatically activated or inactivated accordingly on that date.</p>

**Allow Campus Admins to View All District Students**

Indicate if campus-level administrative users can see all students in the district.

**No** - Campus-level administrators are blocked from accessing students who are not at a campus they have access to, and from impersonating a user to access those students. For example, if a parent has two students - one that the campus administrator should be able to see, and one that he should not be able to see, the campus administrator can impersonate that parent, but only students at his campus are displayed.

**Yes** - Campus-level administrators can access students who are not at a campus they have access to, and can impersonate a user to access those students.

**Display Access:**

- Determine what data is displayed to ParentPortal users.**

**Display Discipline Records**

Indicate if you want discipline information (with or without comments) displayed in ParentPortal.

**No** - The Discipline page is not available for parents in ParentPortal.

**Yes, without comments** - The Discipline page is available for parents in ParentPortal, but any comments associated with an incident are not displayed.

**Yes, with comments** - The Discipline page is available for parents in ParentPortal, and any comments associated with an incident are displayed below the discipline record.

<b>Display Schedules</b>	<p>Indicate if you want to display student schedule information in ParentPortal.</p> <p><b>No</b> - Parents will be able to access ParentPortal and use some parts (such as online registration), but will not be able to view data that would require a student's schedule to be displayed (Summary, Attendance, Grades, and Assignments). When set to <b>No</b>, the message "Student schedule is not available at this time" is displayed at the top of the Summary, Attendance, Grades, Assignments, and My Account pages.</p> <p><b>Yes</b> - Student schedule data is displayed throughout ParentPortal.</p>
<b>Display Immunization Records</b>	<p>Indicate if you want to display immunization data for parents in ParentPortal.</p>
<b>Display Immunization Resource Path</b>	<p>If <b>Yes</b>:</p> <p><b>Path:</b> Type the address for the website providing information about immunization requirements, such as the Texas Department of State Health Services website.</p> <p>Click <b>Save</b>.</p> <p><b>NOTE:</b> The Texas Education Code requires that a link to the Texas Department of State Health Services website be provided to parents as part of the Immunization Awareness program. This field provides a way to adhere to this requirement; however, you are not required to use this field.</p>
