Security Questions:

- Enter security questions that parent users can use to recover a user name or reset a password.

The screenshot shows the 'Site Resources' management page for 'Security Questions'. At the top, there is a header 'Site Resources' with a gear icon. Below it, the section is titled 'Security Questions'. A text box contains the instruction: 'Enter questions that parents can use to reset a password. Provide an English and Spanish version of each question.' Below this is a form with a 'Question :' label, a language dropdown menu currently set to 'English', and an 'Add' button. Below the form is a table with the following columns: 'Action', 'Language', and 'Question'. The table contains four rows of questions, each with a red 'X' icon in the 'Action' column. The questions are: 'What was the name of your first pet?', 'What was your high school mascot?', 'What was your phone number growing up?', and 'Who is your favorite musician or band?'. At the bottom of the table, it says 'Showing 1 - 4 of 4 entries' and has 'Previous', '1', and 'Next' navigation buttons.

Question Select the language of the question.
Type a question in the corresponding language that the user will answer.

- Click **Add**.

- New questions are displayed in the grid at the top of the list.
- Once the page is refreshed, all questions are listed in alphabetical order.

 - Click to remove a question from the list.

NOTE: You cannot remove a question if it has a parent's answer associated with it.
