ASCENDER ParentPortal Admin > Form Group Creators > Form Settings

This page is only available to users who log on to ASCENDER ParentPortal with a district- or campus-level security administrator user name.

Once forms are set up, you can enable New Student Enrollment, Returning Student Registration, and Student Data Maintenance in ParentPortal throughout the district, and manage other form settings.

NOTE: Public Documents (i.e. calendars, school supply lists, downloadable registration forms) will be available on the ASCENDER ParentPortal Login page once the static forms have been created (Form Management > Document Upload and Form Management > Document Upload > Form Creator) and added to the Public Documents group (Form Group Management > Public Documents).

New Student Enrollment

☐ Enable or disable new student enrollment in ParentPortal.

Enable Parent Access

This field enables and disables New Student Enrollment in ParentPortal. This field is set to **No** by default. Leave set to **No** until setup is complete and you are ready to enable Student Enrollment.

When set to **Yes**, the **Enroll a New Student** button will become active on the ParentPortal allowing the parent to enroll a new student in the district.

New Enrollment Authentication Type	<p>Select the user validation method for Student Enrollment:</p> <p>Email - Validate a user by email. With this validation process, an email message is sent to the user's email address containing the registration code. The user must type the code, exactly as it appears in the message, in order to continue with the enrollment process.</p> <p>CAPTCHA - Validate a user by CAPTCHA, which is a tool that protects websites against bots by generating codes that humans can pass but computer programs cannot pass. When this option is enabled, the registration key is automatically generated once you correctly enter the CAPTCHA code. An email message is sent to the parent containing the registration key.</p> <p>IMPORTANT: The CAPTCHA option should only be used during short-term enrollment events such as Kinder Roundup.</p>
