Step 3 allows you to add physical addresses and mailing addresses for the student, family members, and other contacts.

Family Addresses

Any existing addresses for the student and family are listed. You can enter multiple sets of addresses if needed.

Add address:

Click **Add Address** to add an address. The Address Manager window opens.

Type the complete address in the fields provided.

Click **Save Changes**. The button is at the bottom of the window and you may need to scroll down to see it.

Edit address:

Click **Edit** next to the address to edit an existing address. The Address Manager window opens.

Address Information	Street Number	Street Name	City	Zip
	1010	Second Street	Greatown	78222

Update the fields as needed.

Click **Save Changes**. The button is at the bottom of the window and you may need to scroll down to see it.

HELPFUL FEATURE: As you initially enter address information (street number, street name, city, state, and zip), it is automatically stored so it can be reused to prefill the fields when you are completing multiple forms that contain address fields.

Once you have entered address data, when you click in a blank field for which data can be pre-filled, a blue box is displayed which contains the most recent address data entered so far. When you click the blue box, the address fields are automatically filled with the stored information.

Street Number (Physical)	1010
Street Name (Physical)	Second Street
