

ASCENDER GUIDES

enrollment_captcha_option

Table of Contents

The screenshot shows a three-step enrollment process. Step 1 is 'Enrollment Overview', Step 2 is 'Enrollment Key', and Step 3 is 'Addresses & Contacts'. The current step, Step 2, is highlighted in yellow. The main content area is titled 'Express Enrollment for Barry Holland' and 'Obtain and verify an Enrollment Key.' It contains the instruction: '1. Enter the letters displayed below in the box provided, and click Continue.' Below this is a CAPTCHA image showing the letters 'MKPDTT' in a distorted font. A text input field contains the letters 'MKPDTT' and a blue 'Continue' button is to its right.

This option is primarily used during a short-term enrollment event, such as Kinder Roundup.

For this option, a key is generated once you correctly enter the CAPTCHA code. To do this, follow these steps:

Type the CAPTCHA code exactly as it appears on the page.

This close-up shows the instruction '1. Enter the letters displayed below in' followed by a CAPTCHA image of the letters 'MKPDTT'. Below the image is a text input field containing 'MKPDTT' and a blue 'Continue' button.

Click **Continue**.

If you typed the CAPTCHA code correctly, the message “Your key has been created and verified!” is displayed.

The screenshot shows the same 'Express Enrollment for Barry Holland' header. Below the instruction 'Obtain and verify an Enrollment Key.', there is a large yellow success message: 'Your key has been created and verified!'. A blue 'Continue' button is located at the bottom right of the yellow message box.

Also, the parent will receive an enrollment key by email.

New Student Enrollment Instructions

To name@email.com

Thank you for using txConnect online enrollment to enroll your child, Barry Gibb.

Your child's Enrollment Key is: Cp3reczhmhGHcJez 

Please keep this email through the enrollment process in the event that you need to provide the enrollment key to the school.

Thank you.

The parent should save this information for his records.
