# Admin - Form Group Management - Returning Student Registration

***ASCENDER ParentPortal Admin > Form Group Management > Returning Student Registration***

This page is only available to users who log on to ASCENDER ParentPortal with a district-level administrator account.

This page allows district-level users to create a set of forms for annual registration of returning students.

**NOTE:** Returning Student Registration refers to forms required annually for returning students, which is not the same as New Student Enrollment.

When Returning Student Registration is enabled at the district, these forms will be displayed to parents when they are logged on to ParentPortal, and parents will have notifications indicating their progress in the registration process.
