Admin - Forms Group Management - Student Data Editing Creator

ASCENDER ParentPortal Admin > Forms Group Management > Student Data Editing Creator

This page is only available to users who log on to ASCENDER ParentPortal with a district-level administrator account.

This page allows you to create a group of forms that parents can use for student data maintenance, such as changes to demographic data throughout the year (e.g., address or phone number changes). A parent will need to be logged on to ParentPortal to have access to forms in this group.

Add a form:

- Click + Add Group.** A pop-up window opens.

| | |
|---------------------------|---|
| Group Name | Type a name for the group. |
| Group Instructions | Add or update any instructions for the form group, such as clarification about which forms are included in the group. NOTE: If you are creating a group for Spanish forms, the instructions should be typed in Spanish. |

- Click Add Form Group.**

The group is added to the **Created Form Groups** list (left side).

Edit a new or existing group:

- In the **Created Form Groups** list, hover over the new or existing group and click the edit icon .

The group details open in the **Edit Form Group** section (right side) where you can add or edit group details.

| | |
|--------------------------|---|
| Selected Language | Select the language of the forms in the group. NOTE: If you select Spanish, but you did not type Spanish instructions under Group Instructions , English instructions will be displayed even if the parent is viewing ParentPortal in Spanish. |
| Group Name | The current group name is displayed and can be edited. |

| | |
|---------------------------|--|
| Group Instructions | The current instructions for the form group are displayed and can be edited. NOTE: If you are creating a group for Spanish forms, the instructions should be typed in Spanish. |
| Add Form | Select each form you want to add to the group. Be sure to select forms that correspond to the Selected Language . |

As forms are added, they are listed below the **Edit Form Group** section in the order they were added.

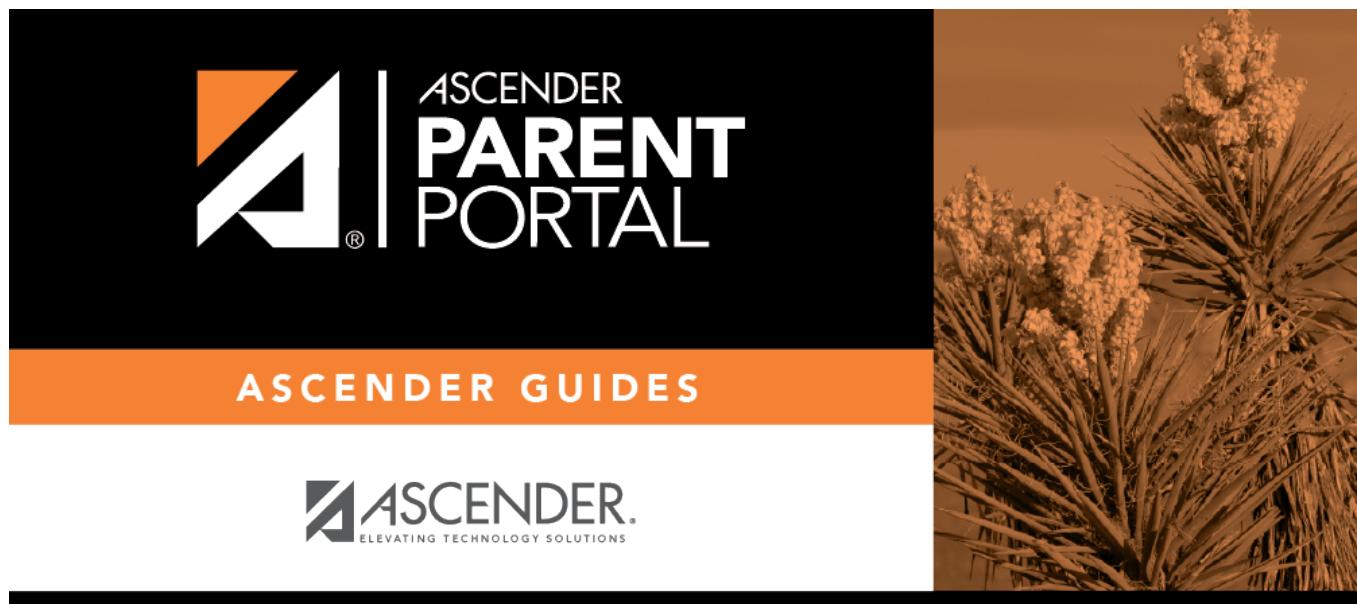

You can modify the order in which the forms are displayed in ParentPortal:

-  - Click to move the form up the list.
-  - Click to move the form down the list.
-  - Click to [preview the form](#). The form opens in a separate browser window.
-  - Click to delete the form from the group. You are prompted to confirm that you want to delete the form. Click **OK**. The form is removed from the group but not deleted from the ParentPortal server.

Under **Created Form Groups** list (left side):

The **Active/Archived** buttons indicate how many of the forms in that group are active and how many have been archived.

To delete a group, hover over the group and click the delete icon .
